1. The first step in the process of the development of a new product is the identification of a need or a problem that the market has. This is done by conducting market research, which involves gathering information about the market, its size, and its needs. This information is then used to develop a product that meets the market's needs.
2. The second step in the process is the development of a prototype. This is a preliminary version of the product that is used to test the market's reaction to it. The prototype is usually made of a material that is easy to work with, such as wood or plastic. It is then shown to a group of people who are representative of the target market. Their feedback is used to make improvements to the product.
3. The third step in the process is the production of the final product. This is done by using the information gathered from the prototype and the market research to create a product that is ready for sale. The production process involves a number of steps, including the selection of materials, the design of the product, and the manufacturing of the product.

4. The fourth step in the process is the distribution of the product. This is done by getting the product into the hands of the people who need it. There are a number of ways to do this, including selling the product directly to the customer, using a distributor, or using a retailer. The distribution process is an important part of the overall process, as it determines how quickly and how easily the product can be reached by the target market.
5. The fifth step in the process is the promotion of the product. This is done by letting people know about the product and its benefits. There are a number of ways to do this, including advertising, public relations, and sales promotion. The promotion process is an important part of the overall process, as it helps to create awareness of the product and to generate interest in it.

6. The sixth step in the process is the evaluation of the product. This is done by looking at the product's performance in the market. This involves looking at sales figures, customer feedback, and other factors. The evaluation process is an important part of the overall process, as it helps to determine whether the product is successful and whether it needs to be improved.
7. The seventh step in the process is the improvement of the product. This is done by taking the feedback from the evaluation process and using it to make changes to the product. This can involve making changes to the design, the materials, or the manufacturing process. The improvement process is an important part of the overall process, as it helps to ensure that the product is the best it can be.
8. The eighth step in the process is the re-evaluation of the product. This is done by looking at the product's performance in the market again. This involves looking at sales figures, customer feedback, and other factors. The re-evaluation process is an important part of the overall process, as it helps to determine whether the product is still successful and whether it needs to be improved further.

SECTION 4. The amendment is to clarify the revenue that is to be deducted from expenditures to calculate the tuition fees chargeable by a high school board.

SECTION 5. The subsection, as re-enacted, provides that the portion of the cost of vocational school accommodation that was paid by the Province under a Federal-Provincial agreement shall not be included in the calculation of fees for non-resident pupils.

(6) Where a vocational school is built under a technical and vocational training agreement entered into by Canada and the Province of Ontario in one high school district on the understanding that it will serve two or more high school districts, the composition of the committee shall be determined, subject to the approval of the Minister, by the boards concerned.

BILL 144

**3RD SESSION, 26TH LEGISLATURE, ONTARIO
10-11 ELIZABETH II, 1961-62**

An Act to amend The Insurance Act

MR. ROBERTS

EXPLANATORY NOTES

GENERAL: Section 4 of this Bill contains a revision of the Life Insurance Part of *The Insurance Act*. It was prepared and is recommended for enactment in all common law provinces by the Association of Provincial Superintendents of Insurance.

Most of the changes are for clarification and simplification only and involve no change in principle.

The most important change in principle is the omission of the provision for the designation of preferred beneficiaries and the statutory trust thereby created and the substitution of a new provision for the irrevocable designation of a beneficiary, which of course can be changed with the consent of the beneficiary. However, no change is made in the protection given to beneficiaries against creditors of the insured. Also, the right of a beneficiary to enforce payment directly to him is preserved.

The other changes in principle include the widening of the definition of insurable interest and the elimination of limitations on amounts of insurance on lives of children.

Sections 1 to 3 and 7 of this Bill contain other provisions with respect to life insurance.

Sections 5 and 6 contain amendments to bring *The Insurance Act* into line with current amendments to *The Highway Traffic Act* (Bill 147) and *The Motor Vehicle Accident Claims Act, 1961-62* (Bill 124).

SECTION 1—Subsection 1. Paragraph 1a replaces the present definition of "double indemnity insurance"—see note to subsection 3. The name "accidental death insurance" reflects more accurately than "double indemnity insurance", the nature of this type of insurance. Also, this change is necessary because the present limit of the amount of such additional insurance to the amount of the primary benefit has been deleted. The limitation in the present definition to insurance of more than one year's duration has also been deleted.

Subsection 2. As in the case of the definition of "accidental death insurance", the limitation respecting the duration of the benefit has been deleted.

Subsection 3. The present paragraph 17 defines "double indemnity insurance" for which the term "accidental death insurance" is substituted.

Subsection 4. The words in the present definition stipulating that "benefits may be paid only to its (the society's) members or their beneficiaries" have been omitted to make it clear that a society may issue a type of insurance, e.g., family insurance, under which benefits may be paid to non-members.

Subsection 5. The present definition has been simplified and also clause (c) has been added to cover endowments and annuities for a term of years.

BILL 144

1961-62

An Act to amend The Insurance Act

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1.—(1) Section 1 of *The Insurance Act* is amended by adding thereto the following paragraph: R.S.O. 1960,
c. 190, s. 1,
amended

1a. "accidental death insurance" means insurance undertaken by an insurer as part of a contract of life insurance whereby the insurer undertakes to pay an additional amount of insurance money in the event of the death by accident of the person whose life is insured.

(2) Paragraph 16 of the said section 1 is repealed and the following substituted therefor: R.S.O. 1960,
c. 190, s. 1,
par. 16,
re-enacted

16. "disability insurance" means insurance undertaken by an insurer as part of a contract of life insurance whereby the insurer undertakes to pay insurance money or to provide other benefits in the event that the person whose life is insured becomes disabled as a result of bodily injury or disease.

(3) Paragraph 17 of the said section 1 is repealed.

R.S.O. 1960,
c. 190, s. 1,
par. 17,
repealed

(4) Paragraph 24 of the said section 1 is repealed and the following substituted therefor: R.S.O. 1960,
c. 190, s. 1,
par. 24,
re-enacted

24. "fraternal society" means a society, order or association incorporated for the purpose of making with its members only, and not for profit, contracts of life, accident or sickness insurance in accordance with its constitution, by-laws and rules and this Act.

(5) Paragraph 36 of the said section 1 is repealed and the following substituted therefor: R.S.O. 1960,
c. 190, s. 1,
par. 36,
re-enacted

36. "life insurance" means insurance whereby an insurer undertakes to pay insurance money,

- (a) on death; or
- (b) on the happening of an event or contingency dependent on human life; or
- (c) at a fixed or determinable future time; or
- (d) for a term dependent on human life,

and, without restricting the generality of the foregoing, includes accidental death insurance but not accident insurance.

R.S.O. 1960,
c. 190, s. 26,
re-enacted

2. Section 26 of *The Insurance Act* is repealed and the following substituted therefor:

Scope of life
insurance
licence

26. Every insurer licensed for the transaction of life insurance may, under the authority of its licence, unless the licence expressly provides otherwise,

- (a) include in any policy of life insurance, in respect of the same life or lives insured thereby, disability insurance and accidental death insurance; and
- (b) transact annuities of all kinds and insurance providing for the establishment of accumulation or endowment funds.

R.S.O. 1960,
c. 190,
amended

3. *The Insurance Act* is amended by adding thereto the following section:

Separate
fund
required

80a.—(1) Where an insurer incorporated and licensed for the transaction of life insurance under the law of Ontario in the exercise of its powers issues policies such that the reserves therefor to be included in the annual statement pursuant to section 76 vary in amount depending upon the market value of a specified group of assets, the insurer shall maintain in respect of such policies one or more separate and distinct funds with separate assets for each such fund.

How
separate
fund may
be created

(2) This fund or these funds may be created by the insurer, if duly authorized by by-law, by transfers from the shareholders' fund or, if duly authorized by a special general meeting of the insurer, by transfers from the life insurance funds, but the aggregate of all transfers for this purpose shall not exceed \$100,000.

SECTION 2. In clause *a*, cognizance is taken of the new definition of "accidental death insurance" in the new Part V of *The Insurance Act*. Clause *b* substitutes for the present expression "annuities and endowments of all kinds" broader expressions used in the federal Insurance Acts.

SECTION 3. These provisions establish the methods by which insurance companies may provide for variable annuities.

The provisions are similar to provisions in the *Canadian and British Insurance Companies Act* (Canada).

SECTION 4. Part V (Life Insurance) of the Act is redrafted. See the following notes for explanations:

Section 137 (a) is necessary because the reference to an application in section 149 applies to reinstatements by virtue of section 155 (4).

Section 137 (b) is similar to present section 137³ except that it excludes the insured and his personal representatives. Personal representatives may, however, be designated to receive insurance money—see section 156 (1).

- (3) Where a separate and distinct fund with separate assets is maintained pursuant to subsection 1, the assets of the fund so maintained are available only to meet the liabilities arising under policies in respect of which that fund is maintained and are not liable for the payment of claims arising from any other policies; but any assets that remain in any such fund after the discharge of all of the insurer's liabilities in respect of the policies for which that fund is maintained may be transferred to such other fund as the directors determine. Segregation of assets

- (4) Where the policies in respect of which a separate and distinct fund with separate assets is maintained are such that the reserves therefor to be included in the annual statement pursuant to section 76 vary in amount depending upon the market value of the assets of the fund, the percentage limits specified in subsections 7 and 8 of section 208 of *The Corporations Act* do not apply to the investments and loans constituting the assets of the fund, and in the application of those limits to the insurer as a whole the assets of any such separate fund shall not be taken into account. Exception from investment limitations
R.S.O. 1960, c. 71

- (5) Except as required in subsection 4, where a separate and distinct fund with separate assets is maintained by an insurer, the percentage limits specified in subsections 4, 7 and 8 of section 208 of *The Corporations Act* apply to the investments and loans constituting the assets of the fund as if those assets were the total assets of the insurer. Investment limitations

4. Part V of *The Insurance Act* is repealed and the following substituted therefor: R.S.O. 1960, c. 190, Part V (ss. 137-190), re-enacted; (ss. 191-197), repealed

PART V

LIFE INSURANCE

INTERPRETATION

137. In this Part,

Interpre-
tation

- (a) "application" means an application for insurance or for the reinstatement of insurance;
- (b) "beneficiary" means a person, other than the insured or his personal representative, to whom or for whose benefit insurance money is made payable in a contract or by a declaration;

- (c) "contract" means a contract of life insurance;
- (d) "court" means the Supreme Court or a judge thereof;
- (e) "creditor's group insurance" means insurance effected by a creditor in respect of the lives of his debtors whereby the lives of the debtors are insured severally under a single contract;
- (f) "declaration" means an instrument signed by the insured,
 - (i) with respect to which an endorsement is made on the policy, or
 - (ii) that identifies the contract, or
 - (iii) that describes the insurance or insurance fund or a part thereof,
 in which he designates, or alters or revokes the designation of, his personal representative or a beneficiary as one to whom or for whose benefit insurance money is to be payable;
- (g) "family insurance" means insurance whereby the lives of the insured and one or more persons related to him by blood, marriage or adoption are insured under a single contract between an insurer and the insured;
- (h) "group insurance" means insurance, other than creditor's group insurance and family insurance, whereby the lives of a number of persons are insured severally under a single contract between an insurer and an employer or other person;
- (i) "group life insured" means a person whose life is insured by a contract of group insurance but does not include a person whose life is insured under the contract as a person dependent upon, or related to, him;
- (j) "instrument" includes a will;
- (k) "insurance" means life insurance;
- (l) "insured",
 - (i) in the case of group insurance, means, in the provisions of this Part relating to the designation of beneficiaries and the rights and status of beneficiaries, the group life insured, and

Section 137 (c) differs from present section 137¶5 which also defines the expressions "contract of insurance" and "contract of life insurance". Only the word "contract" is used in the revised Part. Also, the reference to "any other contract which an insurer may issue under the authority of a licence to transact life insurance", which ties section 26 into this Part, has been replaced by the addition of apt words describing endowments and annuities in the revised definition of "life insurance".

Section 137 (d) is the same as present section 137¶6. The definition of "judge" in present section 137¶17 is unnecessary.

Section 137 (e) is similar to present section 137¶7.

Section 137 (f)—Present section 137¶8 has been redrafted but no change in principle is intended. The special reference to a personal representative following subclause (iii) is necessary because such a representative is excluded from the definition of beneficiary in clause (b).

Section 137 (g) is new. It is necessary because this type of insurance is excluded from the definition of "group insurance" so that the provisions of the Part relating to individual insurance, rather than those relating to group insurance, will apply to family insurance.

Section 137 (h) is the same as present section 137¶11 except that the word "life" in the expression "group life insurance" has been dropped because of the definition of "insurance" in the Act; an exception has been made for family insurance (see definition in clause (g) and note thereto); and the words "contracting with the insurer" have been omitted as unnecessary.

Section 137 (i) is new. See note to clause (l) and to section 143.

Section 137 (j) corresponds to the definition of "instrument in writing" in present section 137¶12.

Section 137 (k) is the same as present section 137¶13.

Section 137 (l)—Subclause (ii) is the same as in the definition of "insured" in present section 137¶15. Subclause (i) takes the place of present section 143 (2) by defining "insured" in group insurance for the purposes stated therein.

Section 137 (*m*) is a special definition for this Part. See proposed definitions of "life insurance", "disability insurance" and "accidental death insurance" in section 1 of the Bill.

Section 137 (*n*) is the same as present section 137¶21.

Section 138 makes the revised Part applicable to existing as well as to new contracts, except for the preservation of rights of beneficiaries for value (subsection 2) and preferred beneficiaries (subsection 3) under existing contracts.

Subsection 1 takes the place of the whole of present section 138. It enacts a single, straightforward test for the application of the Part. The reasons for the deletion of the other material in present section 138 are:

- (1) *Omission of reference to date of contract*—The simple rule in subsection 1 should prove to be satisfactory for all contracts made in the jurisdiction—either before or after the date used in present section 138 (1 and 2).
- (2) *Inconsistent contractual provisions*—Subsection 1 of present section 138 states that contract terms inconsistent with the Part are null and void. This statement is an unnecessary addition to the rule expressed in the opening "Notwithstanding" clause.
- (3) *Intention of parties*—Present section 138, after stating that the Part applies to contracts made in Ontario, goes on to say that the Part applies to a contract made outside Ontario if the parties have so provided in the contract. This is not a matter on which the province in which the contract is *not* made is competent to legislate. Such province cannot force the "intention of the parties" rule on the jurisdiction in which the contract is made. It is for that jurisdiction, and that jurisdiction alone, to state whether or not the intention rule applies.

The "but" clause at the end of subsection 3 provides that the force of the subsection is spent once the insurance money becomes payable to a person outside the present preferred class of beneficiaries.

Section 139 replaces present section 139. The date of application of that section is dropped as unnecessary. The effect of this section is to make the Part applicable to a group life insured if he was resident in Ontario when he became insured even though the group contract was made elsewhere—so long as the insurer is one licensed in Ontario. Clause (*a*) of present section 139 is dropped as unnecessary because of subsection 1 of section 138. Clause (*b*) is covered in this section.

- (ii) in all other cases, means the person who makes a contract with an insurer;
- (m) "life insurance" includes disability insurance and accidental death insurance;
- (n) "will" includes a codicil.

APPLICATION OF PART

138.—(1) Notwithstanding any agreement, condition or stipulation to the contrary, this Part applies to a contract made in Ontario on or after the day on which this section comes into force, and, subject to subsections 2 and 3, applies to a contract made in Ontario before that day. ^{Application}

(2) The rights and interests of a beneficiary for value under a contract that was in force immediately prior to the day on which this section comes into force are those provided in Part V of the Insurance Act then in force. ^{Beneficiary for value}

(3) Where the person who would have been entitled to the payment of insurance money, if the money had become payable immediately prior to the day on which this section comes into force, was a preferred beneficiary within the meaning of Part V of the Insurance Act then in force, the insured may not, except in accordance with that Part, ^{Preferred beneficiary}

- (a) alter or revoke the designation of a beneficiary; or
- (b) assign, exercise rights under or in respect of, surrender or otherwise deal with the contract,

but this subsection does not apply after a time at which the insurance money, if it were then payable, would be payable wholly to a person other than a preferred beneficiary within the meaning of that Part.

139. In the case of a contract of group insurance made with an insurer authorized to transact insurance in Ontario at the time the contract was made, this Part applies in determining, ^{Group insurance}

- (a) the rights and status of beneficiaries if the group life insured was resident in Ontario at the time he became insured; and
- (b) the rights and obligations of the group life insured if he was resident in Ontario at the time he became insured.

ISSUANCE OF POLICY AND CONTENTS THEREOF

Insurer to issue policy 140.—(1) An insurer entering into a contract shall issue a policy.

Documents forming contract (2) Subject to subsection 3, the provisions in,

- (a) the application; and
- (b) the policy; and
- (c) any document attached to the policy when issued; and
- (d) any amendment to the contract agreed upon in writing after the policy is issued,

constitute the entire contract.

Contract of fraternal society (3) In the case of a contract made by a fraternal society, the policy, the Act or instrument of incorporation of the society, its constitution, by-laws and rules, and the amendments made from time to time to any of them, the application for the contract and the medical statement of the applicant constitute the entire contract.

Copy of application (4) An insurer shall, upon request, furnish to the insured or to a claimant under the contract a copy of the application.

Exceptions 141.—(1) This section does not apply to a contract,

- (a) of group insurance; or
- (b) of creditor's group insurance; or
- (c) made by a fraternal society.

Contents of policy (2) An insurer shall set forth the following particulars in the policy:

1. The name or a sufficient description of the insured and of the person whose life is insured.
2. The amount, or the method of determining the amount, of the insurance money payable, and the conditions under which it becomes payable.
3. The amount, or the method of determining the amount, of the premium and the period of grace, if any, within which it may be paid.

Section 140 (1)—Present section 141, stating that every contract is to be evidenced by a policy, is replaced by a positive requirement that the insurer issue a policy. The last part of present section 141 is omitted because "policy" is defined to mean "the instrument evidencing a contract" in section 149 of the present Act.

Section 140 (2) takes the place of present section 145 (1 and 2). The principal change is that the new provision applies generally and not merely, as does present section 145 (1), to evidence that may be prejudicial to the insured or a beneficiary.

Clause (a) is new but in actual practice the application is usually a "document . . . attached" within the meaning of present section 145 (1). The change made by the revision is to make the provisions of an application that is not attached to the policy part of the contract.

Section 140 (3) is similar to present section 145 (3). The wording in section 233 (7) of the Accident and Sickness Revision has been followed.

Section 140 (4)—Present section 154 has been changed to enable a claimant, as well as the insured, to obtain a copy of the application.

Section 141 (1)—Compare the exception for group insurance in present section 142 (1) and for fraternal insurance in present section 142 (7); the exception for creditor's group insurance is new. The particulars to be shown in group insurance and creditor's group insurance policies are set forth in section 142.

Section 141 (2)—Paragraphs 1, 2 and 3 are taken from present section 142 (1). The main changes are the deletion of the reference to beneficiaries in paragraph 1, the addition in paragraph 2 of a reference to the conditions under which the contract becomes payable to replace the present reference to maturity of the contract, and the addition of a reference to grace period, now in present section 142 (3), in paragraph 3. Also, references to "the method of determining the amount" have been added in paragraphs 2 and 3 to cover the case of renewable term insurance.

Paragraph 4 is similar to present section 142 (4).

Paragraph 5 is taken from present section 142 (3).

Paragraph 6 is taken from present section 142 (3).

Section 142—Paragraphs 1, 2, 3 and 4 are taken from present section 142 (2) and the first part of present section 142 (3), except that the reference in present section 142 (2) to the facts that determine the amount of the premium has been omitted as unnecessary, and the reference in the same provision to the facts that determine the manner and time of payment has been changed to the expression used in paragraph 3. Present section 142 (3), except for the first part (covered in paragraph 4), is inappropriate in relation to group insurance and creditor's group insurance.

Paragraph 5 is similar to present section 142 (4).

Section 143—The requirements of present section 142 (6) have been modified in the following respects:

- (a) The exemption for pre-1948 contracts has been deleted and the new provision will apply to all contracts.
- (b) The reference to "other document" is new. Important changes have taken place in group insurance practices since the 1948 amendments were passed, e.g., in many cases a large part of the administration of the group insurance is handled by employers and the employees' cover is frequently described in detail in booklets referring to all phases of an employer-employee welfare plan.
- (c) The term "group life insured" is new; it is defined in section 137 (i) to mean the employee or other "primary" life insured by the group contract. The definition excludes dependent or related participants in group dependants' insurance contracts, a new type of group insurance that has been developed since the 1948 amendments. The insurance on such dependent or related participants must, however, be described in the certificate or other document issued to the group life insured.

4. Whether the contract provides for participation in a distribution of surplus or profits that may be declared by the insurer.
5. The conditions upon which the contract may be reinstated if it lapses.
6. The options, if any,
 - (a) of surrendering the contract for cash;
 - (b) of obtaining a loan or an advance payment of the insurance money; and
 - (c) of obtaining paid-up or extended insurance.

142. In the case of a contract of group insurance or of creditor's group insurance, an insurer shall set forth the following particulars in the policy: ^{Contents of group policy}

1. The name or a sufficient description of the insured.
2. The method of determining the persons whose lives are insured.
3. The amount, or the method of determining the amount, of the insurance money payable, and the conditions under which it becomes payable.
4. The period of grace, if any, within which the premium may be paid.
5. Whether the contract provides for participation in a distribution of surplus or profits that may be declared by the insurer.

143. In the case of a contract of group insurance, an insurer shall issue, for delivery by the insured to each group life insured, a certificate or other document in which are set forth the following particulars: ^{Contents of group certificate}

1. The name of the insurer and an identification of the contract.
2. The amount, or the method of determining the amount, of insurance on the group life insured and on any person whose life is insured under the contract as a person dependent upon, or related to, him.

3. The circumstances in which the insurance terminates and the rights, if any, upon such termination, of the group life insured or of any person whose life is insured under the contract as a person dependent upon, or related to, him.

CONDITIONS GOVERNING FORMATION OF CONTRACT

Insurable
interest

144.—(1) Subject to subsection 2, where at the time a contract would otherwise take effect the insured has no insurable interest, the contract is void.

Exceptions

(2) A contract is not void for lack of insurable interest,

(a) if it is a contract of group insurance; or

(b) if the person whose life is insured has consented in writing to the insurance being placed on his life.

Consent
of minor

(3) Where the person whose life is insured is under the age of sixteen years, consent to insurance being placed on his life may be given by one of his parents or by a person standing *in loco parentis* to him.

Insurable
interest,
defined

145. Without restricting the meaning of the expression "insurable interest", a person has an insurable interest in his own life and in the life of,

(a) his child or grandchild;

(b) his spouse;

(c) any person upon whom he is wholly or in part dependent for, or from whom he is receiving, support or education;

(d) his employee; and

(e) any person in the duration of whose life he has a pecuniary interest.

Contract
taking
effect

146.—(1) Subject to any provision to the contrary in the application or the policy, a contract does not take effect unless,

(a) the policy is delivered to an insured, his assign or agent, or to a beneficiary;

(b) payment of the first premium is made to the insurer or its authorized agent; and

Section 144—Subsection 1 is similar to present section 159.

Subsection 2 is new. By clause (a) group insurance is exempted from subsection 1 because the ordinary insurable interest requirement does not fit some types of group insurance, e.g., insurance covering under one contract the members of a professional association. Clause (b) recognizes that the consent of the life insured is an adequate substitute for the insurable interest requirement.

Subsection 3 is new; it is necessary because of the addition of clause (b) in subsection 2.

Present section 160 has been deleted as unnecessary because there is no requirement at common law or otherwise that a beneficiary or other claimant has an insurable interest in the life insured. No change in the law is intended by the deletion of this section.

Section 145 combines present sections 157 and 158. It has been revised as to form. Also, in clause (a) the present limitation to children under 25 has been removed and a reference to "grandchild" has been added.

Section 146 (1) is a redraft of present section 151 (1). The principal change has been to restrict the exception for changes in insurability to the time between completion of the application and delivery of the policy.

Section 146 (2) is a new subsection to cover the case of negligent non-delivery by an agent.

Section 147 (1) is similar to present section 151 (2) except that the payment rather than the whole contract is made void if the cheque, etc., is not honoured.

Section 147 (2) is a simplification of present section 152 (2).

Section 148 (1) is new. It makes it clear that, except in the case of group insurance, any one of the parties named may, as of right, pay a premium when due. Present section 152 (1) only refers to payment by such persons during the period of grace.

Section 148 (2)—Subsections 1, 4 and 6 of present section 152 have been combined in this subsection. Subsection 3 of present section 152 has been omitted as unnecessary.

Section 148 (3) is similar to present section 152 (5).

- (c) no change has taken place in the insurability of the life to be insured between the time the application was completed and the time the policy was delivered.

(2) Where a policy is issued on the terms applied for and is delivered to an agent of the insurer for unconditional delivery to a person referred to in clause *a* of subsection 1, it shall be deemed, but not to the prejudice of the insured, to have been delivered to the insured. ^{Delivery to agent}

147.—(1) Where a cheque or other bill of exchange, or a promissory note or other written promise to pay, is given for the whole or part of a premium and payment is not made according to its tenor, the premium or part thereof shall be deemed not to have been paid. ^{Default in paying premium}

(2) Where a remittance for or on account of a premium is sent in a registered letter to an insurer and is received by it, the remittance shall be deemed to have been received at the time of the registration of the letter. ^{Payment by registered letter}

148.—(1) Except in the case of group insurance, an assignee of a contract, a beneficiary or a person acting on behalf of one of them or of the insured may pay any premium that the insured is entitled to pay. ^{Who may pay premium}

(2) Where a premium, other than the initial premium, is not paid at the time it is due, the premium may be paid within a period of grace of, ^{Period of grace}

(a) thirty days or, in the case of an industrial contract, twenty-eight days from and excluding the day on which the premium is due; or

(b) the number of days, if any, specified in the contract for payment of an overdue premium,

whichever is the longer period.

(3) Where the happening of the event upon which the insurance money becomes payable occurs during the period of grace and before the overdue premium is paid, the contract shall be deemed to be in effect as if the premium had been paid at the time it was due, but the amount of the premium, together with interest at the rate specified in the contract, but not exceeding 6 per cent per annum, and the balance, if any, of the current year's premium, may be deducted from the insurance money. ^{Contract in force during grace period}

Duty to disclose

149.—(1) An applicant for insurance and a person whose life is to be insured shall each disclose to the insurer in the application, on a medical examination, if any, and in any written statements or answers furnished as evidence of insurability, every fact within his knowledge that is material to the insurance and is not so disclosed by the other.

Failure to disclose

(2) Subject to section 150, a failure to disclose, or a misrepresentation of, such a fact renders the contract voidable by the insurer.

Exceptions

150.—(1) This section does not apply to a misstatement of age or to disability insurance.

Incontestability

(2) Subject to subsection 3, where a contract has been in effect for two years during the lifetime of the person whose life is insured, a failure to disclose, or a misrepresentation of, a fact required to be disclosed by section 149 does not, in the absence of fraud, render the contract voidable.

Incontestability in group insurance

(3) In the case of a contract of group insurance, a failure to disclose, or a misrepresentation of, such a fact in respect of a person whose life is insured under the contract does not render the contract voidable, but, if evidence of insurability is specifically requested by the insurer, the insurance in respect of that person is voidable by the insurer unless it has been in effect for two years during the lifetime of that person, in which event it is not, in the absence of fraud, voidable.

Non-disclosure by insurer

151. Where an insurer fails to disclose, or misrepresents, a fact material to the insurance, the contract is voidable by the insured, but, in the absence of fraud, the contract is not by reason of such failure or misrepresentation voidable after the contract has been in effect for two years.

Exceptions

152.—(1) This section does not apply to a contract of group insurance or of creditor's group insurance.

Misstatement of age

(2) Subject to subsection 3, where the age of a person whose life is insured is misstated to the insurer, the insurance money provided by the contract shall be increased or decreased to the amount that would have been provided for the same premium at the correct age.

Limitation of insurable age

(3) Where a contract limits the insurable age, and the correct age of the person whose life is insured at the date of the application exceeds the age so limited, the contract is, during the lifetime of that person but not later than five years from the date the contract takes effect, voidable by the insurer within sixty days after it discovers the error.

Section 149—Present section 146 (1) has been divided into two subsections for ease in reading. The present requirement to disclose material facts in "statements or answers furnished in lieu of a medical examination" has been broadened to "written statements or answers furnished as evidence of insurability" because evidence that does not relate directly to health may be required, e.g., a statement of the extent to which the applicant travels in aircraft. An insurance contract is a contract of *uberrimae fidei* and the parties should disclose everything that would affect the making of the contract.

The requirement that the applicant and the life insured must disclose facts within their knowledge has been modified so that it is sufficient if each discloses facts within his knowledge that are not disclosed by the other.

Section 150 (1)—The exception for double indemnity insurance in the "but" clause at the end of present section 146 (2) has been deleted. Also, the exception for misstatements of age is made applicable to all statements respecting the life insured.

Section 150 (2)—Present section 146 (2) has been shortened but the effect is the same, i.e., the rule in section 149 (2) that a failure to disclose or a misrepresentation renders a contract voidable does not apply, in the absence of fraud, after the contract has been in force two years during the life insured's lifetime.

In the revision of this provision, an attempt has been made to clarify present section 146 (2) in its application to group insurance by the addition of subsection 3. Also, the exception for fraudulent statements is made applicable to all statements respecting the life insured.

Section 150 (3) is a new subsection to cover group insurance.

Section 151 is similar to present section 147 except that the last words "during the lifetime of the person whose life is insured" have been dropped. This omission clears up the application of the section to group insurance.

Section 152 (1) is similar to present section 149 (6); see section 153.

Section 152 (2) takes the place of the detailed rules for age adjustments in subsections 1 to 4 of present section 149. It provides for an equitable and relatively simple adjustment of benefits if age is misstated.

Section 152 (3) is similar to present section 149 (5) except that the insurer is given 60 days, instead of 30 days, after it discovers the error to take steps to declare the contract void.

Section 153—In line with the simplification of the misstatement-of-age provision relating to individual insurance (see section 152), present section 150, relating to group insurance, has also been simplified. Under this new section the contract provisions will govern but the insurance will not otherwise be rendered voidable by a misstatement of age.

Section 154 (1) is similar to present section 190.

Section 154 (2)—Present section 153 (3) has been simplified; no change in effect is intended.

Section 155 (1) is the same as present section 153 (4).

Section 155 (2) is similar to present section 153 (1), except that,

- (a) the special one-year period for industrial contracts has been deleted and the two-year period for reinstatements is made applicable to all contracts;
- (b) the exceptions relating to cash surrender values and paid-up and extended insurance options have been transferred to subsection 3;
- (c) in clause (b) the expression "satisfactory to the insurer" appears in both subclause (i) and subclause (ii) so that it modifies both "good health" and "insurability";
- (d) the proviso at the end of the present subsection has been dropped as unnecessary in view of the condition "if . . . he . . . produces evidence satisfactory to the insurer . . .".

Section 155 (3)—Self-explanatory.

Section 155 (4) is a simplification of present section 153 (2).

153. In the case of a contract of group insurance or of creditor's group insurance, a misstatement to the insurer of the age of a person whose life is insured does not of itself render the contract voidable, and the provisions, if any, of the contract with respect to age or misstatement of age apply. ^{Misstatement of age in group insurance}

154.—(1) Where a contract contains an undertaking, express or implied, that insurance money will be paid if a person whose life is insured commits suicide, the undertaking is lawful and enforceable. ^{Effect of suicide}

(2) Where a contract provides that in case a person whose life is insured commits suicide within a certain period of time the contract is void or the amount payable under it is reduced, if the contract lapses and is subsequently reinstated on one or more occasions, the period of time commences to run from the date of the latest reinstatement. ^{Suicide and reinstatement}

155.—(1) This section does not apply to a contract of group insurance or to a contract made by a fraternal society. ^{Exceptions}

(2) Where a contract lapses and the insured within two years applies for reinstatement of the contract, if within that time he, ^{Reinstatement}

(a) pays the overdue premiums and other indebtedness under the contract to the insurer, together with interest at the rate specified in the contract, but not exceeding 6 per cent per annum, compounded annually; and

(b) produces,

(i) evidence satisfactory to the insurer of the good health, and

(ii) other evidence satisfactory to the insurer of the insurability,

of the person whose life was insured,

the insurer shall reinstate the contract.

(3) Subsection 2 does not apply where the cash surrender value has been paid or an option of taking paid-up or extended insurance has been exercised. ^{Exceptions}

(4) Sections 149 and 150 apply *mutatis mutandis* to reinstatement of a contract. ^{Application of other sections}

DESIGNATION OF BENEFICIARIES

Designation of beneficiary 156.—(1) An insured may in a contract or by a declaration designate his personal representative or a beneficiary to receive insurance money.

Change in designation (2) Subject to section 157, the insured may from time to time alter or revoke the designation by a declaration.

Meaning of "heirs", etc. (3) A designation in favour of the "heirs", "next of kin" or "estate" of the insured, or the use of words of like import in a designation, shall be deemed to be a designation of the personal representative of the insured.

Designation of beneficiary irrevocably 157.—(1) An insured may in a contract, or by a declaration, other than a declaration that is part of a will, filed with the insurer at its head or principal office in Canada during the lifetime of the person whose life is insured, designate a beneficiary irrevocably, and in that event the insured, while the beneficiary is living, may not alter or revoke the designation without the consent of the beneficiary and the insurance money is not subject to the control of the insured or of his creditors and does not form part of his estate.

Attempted designation (2) Where the insured purports to designate a beneficiary irrevocably in a will or in a declaration that is not filed as provided in subsection 1, the designation has the same effect as if the insured had not purported to make it irrevocable.

Designation in invalid will 158.—(1) A designation in an instrument purporting to be a will is not ineffective by reason only of the fact that the instrument is invalid as a will, or that the designation is invalid as a bequest under the will.

Priorities
R.S.O. 1960,
c. 433 (2) Notwithstanding *The Wills Act*, a designation in a will is of no effect against a designation made later than the making of the will.

Revocation (3) Where a designation is contained in a will, if subsequently the will is revoked by operation of law or otherwise, the designation is thereby revoked.

Idem (4) Where a designation is contained in an instrument that purports to be a will, if subsequently the instrument if valid as a will would be revoked by operation of law or otherwise, the designation is thereby revoked.

Trustee for beneficiary 159.—(1) An insured may in a contract or by a declaration appoint a trustee for a beneficiary and may alter or revoke the appointment by a declaration.

Section 156 (1) replaces the middle portion of present section 167 (1). The word "designate" has been retained but the words "appropriated", "appointment, appropriation or apportionment" have been dropped as unnecessary.

As to wills, the definition of "declaration" in section 137 (f) uses the expression "instrument" which is defined to include wills.

Under the present Part, "beneficiary" does not include the insured's estate. A reference to the insured's personal representative has been added. The definition of "beneficiary" in section 137 (b) excludes such representatives.

Section 156 (2) is similar to part of present section 167 (1).

Section 156 (3) is similar to present section 155 (1) except for the addition of the reference to "estate" and to words of like import.

Section 157 (1) deals with the status created by an irrevocable designation, as at the time of designation. Dealings with the contracts during the insured's lifetime are covered in section 163.

In this subsection, the words "other than a declaration that is part of a will" have been used to avoid the problems that presently arise in the designation of preferred beneficiaries by "secret" declarations in wills. An irrevocable designation must not be in a will and must be filed to be effective. Note that subsequent alterations and revocations are barred without the consent of the beneficiary. The clause stating that the insurance money is not subject to the insured's control, etc., replaces, in a sense, part of present section 170 (1).

Section 157 (2) deals with the consequences of an attempt to designate a beneficiary irrevocably in a will and of a failure to file with the insurer a declaration designating a beneficiary irrevocably.

Section 158 takes the place of the first part of subsections 4 and 6 of present section 167. The latter provision is obscure. Subsections 1, 3 and 4 set forth the rules apparently intended to be provided in that subsection. The reference at the end of subsection 1 to a bequest under a will is to make it clear that the beneficiary is not barred from taking the insurance money merely because he cannot receive a bequest under the will by reason of the fact, for instance, that he was one of the witnesses.

Section 159 covers the same ground as present section 192.

Section 160 (1) is an adaptation of present section 169.

Section 160 (2) is similar to present section 168.

Section 161 is similar to present section 167 (2).

Section 162 (1) frees insurance money payable to any beneficiary from claims by the insured's creditors. This is thought to be the effect of the present law and the provision is included for greater certainty.

Section 162 (2)—The classes of beneficiaries referred to in this subsection are the same as the classes of preferred beneficiaries specified in present section 164 (2).

Section 163 is similar to present section 179 (1). Subsection 2 is not necessary because of the removal of the statutory trust.

(2) A payment made by an insurer to a trustee for a beneficiary discharges the insurer to the extent of the payment. Payment to trustee

160.—(1) Where a beneficiary predeceases the person whose life is insured, and no disposition of the share of the deceased beneficiary in the insurance money is provided in the contract or by a declaration, the share is payable, Beneficiary predeceasing life insured

(a) to the surviving beneficiary; or

(b) if there is more than one surviving beneficiary, to the surviving beneficiaries in equal shares; or

(c) if there is no surviving beneficiary, to the insured or his personal representative.

(2) Where two or more beneficiaries are designated otherwise than alternatively, but no division of the insurance money is made, the insurance money is payable to them in equal shares. Several beneficiaries

161. A beneficiary may enforce for his own benefit, and a trustee appointed pursuant to section 159 may enforce as trustee, the payment of insurance money made payable to him in the contract or by a declaration and in accordance with the provisions thereof, but the insurer may set up any defence that it could have set up against the insured or his personal representative. Right to sue

162.—(1) Where a beneficiary is designated, the insurance money, from the time of the happening of the event upon which the insurance money becomes payable, is not part of the estate of the insured and is not subject to the claims of the creditors of the insured. Insurance money free from creditors

(2) While a designation in favour of a spouse, child, grand-child or parent of a person whose life is insured, or any of them, is in effect, the rights and interests of the insured in the insurance money and in the contract are exempt from execution or seizure. Contract exempt from seizure

DEALINGS WITH CONTRACT DURING LIFETIME OF INSURED

163. Where a beneficiary,

Insured dealing with contract

(a) is not designated irrevocably; or

(b) is designated irrevocably but has attained the age of twenty-one years and consents,

the insured may assign, exercise rights under or in respect of, surrender or otherwise deal with the contract as provided therein or in this Part or as may be agreed upon with the insurer.

Insured
entitled to
dividends

164.—(1) Notwithstanding the designation of a beneficiary irrevocably, the insured is entitled while living to the dividends or bonuses declared on a contract, unless the contract otherwise provides.

Insurer
may use
dividends

(2) Unless the insured otherwise directs, the insurer may apply the dividends or bonuses declared on the contract for the purpose of keeping the contract in force.

Transfer of
ownership
R.S.O. 1960,
c. 433

165.—(1) Notwithstanding *The Wills Act*, where in a contract or in an agreement in writing between an insurer and an insured it is provided that a person named in the contract or in the agreement has, upon the death of the insured, the rights and interests of the insured in the contract,

- (a) the rights and interests of the insured in the contract do not, upon the death of the insured, form part of his estate; and
- (b) upon the death of the insured, the person named in the contract or in the agreement has the rights and interests given to the insured by the contract and by this Part and shall be deemed to be the insured.

Successive
owners

(2) Where the contract or agreement provides that two or more persons named in the contract or in the agreement shall, upon the death of the insured, have successively, on the death of each of them, the rights and interests of the insured in the contract, this section applies successively, *mutatis mutandis*, to each of such persons and to his rights and interests in the contract.

Saving

(3) Notwithstanding any nomination made pursuant to this section, the insured may, prior to his death, assign, exercise rights under or in respect of, surrender or otherwise deal with the contract as if the nomination had not been made, and may alter or revoke the nomination by agreement in writing with the insurer.

Interest of
assignee

166.—(1) Where an assignee of a contract gives notice in writing of the assignment to the insurer at its head or principal office in Canada, he has priority of interest as against,

- (a) any assignee other than one who gave notice earlier in like manner; and

Section 164 follows the same principle as present section 178, i.e., that the insured is entitled to dividends or bonuses, unless, as provided in subsection 2, they are applied to keep the contract in force. In view of the removal of the statutory trust, it has been possible to shorten the present section.

Section 165 (1 and 3) is similar to present section 163, except that the first few lines in subsection 1 have been broadened so that the section will apply to all third-party policies (including family policies) and not merely those on the lives of minors. Also, subsection 2 has been added to permit the nomination of successive owners.

Section 166 (1) is an adaptation of present section 165. The references to beneficiaries for value in the present section have been dropped as such beneficiaries have rarely been named pursuant to the present Act. The same result can be achieved by assigning the contract to a beneficiary. A reference to irrevocable beneficiaries has been added.

Section 166 (2) is a simplification of present section 179 (4). By omitting the reference to loan or debt, the revised subsection will apply to future advances (if provided for in the assignment) as well as to the original debt.

Section 166 (3) is similar to present section 166 except that it has been extended to cover all assignees, not merely assignees who are lives insured.

Section 166 (4) is a new provision designed to support a provision of the contract barring assignments.

Section 167 is similar to present section 167 (3).

Section 168 is a simplification of present section 161. In one respect, the provision is broadened so that a minor of the age stated may effect a contract on the lives of other persons as well as on his own life. It is more restrictive, however, in that the age at which capacity is given is raised from fifteen to sixteen.

Section 169 is new and self-explanatory.

Section 170 covers the same ground as present sections 185 (1 and 2) and 186 (1).

- (b) a beneficiary other than one designated irrevocably as provided in section 157 prior to the time the assignee gave notice to the insurer of the assignment in the manner prescribed in this subsection.

(2) Where a contract is assigned as security, the rights of a beneficiary under the contract are affected only to the extent necessary to give effect to the rights and interests of the assignee. Effect on beneficiary's rights

(3) Where a contract is assigned unconditionally and otherwise than as security, the assignee has all the rights and interests given to the insured by the contract and by this Part and shall be deemed to be the insured. Assignee deemed to be insured

(4) A provision in a contract to the effect that the rights or interests of the insured, or, in the case of group insurance, the group life insured, are not assignable is valid. Prohibition against assignment

167. A group life insured may in his own name enforce a right given to him under a contract, subject to any defence available to the insurer against him or against the insured. Group life insured enforcing rights

MINORS

168. Except in respect of his rights as beneficiary, a minor who has attained the age of sixteen years has the capacity of a person of the age of twenty-one years, Capacity of minors

(a) to make an enforceable contract; and

(b) in respect of a contract.

169. A beneficiary who has attained the age of eighteen years has the capacity of a person of the age of twenty-one years to receive insurance money payable to him and to give a discharge therefor. Capacity of minor beneficiary

PROCEEDINGS UNDER CONTRACT

170. Where an insurer receives sufficient evidence of, Proof of claim

(a) the happening of the event upon which insurance money becomes payable;

(b) the age of the person whose life is insured;

(c) the right of the claimant to receive payment; and

(d) the name and age of the beneficiary, if there is a beneficiary,

it shall, within thirty days after receiving the evidence, pay the insurance money to the person entitled thereto.

Place of
payment

171.—(1) Subject to subsection 4, insurance money is payable in Ontario.

Dollars

(2) Unless a contract otherwise provides, a reference therein to dollars means Canadian dollars.

Payment
outside
Ontario

(3) Where a person entitled to receive insurance money is not domiciled in Ontario, the insurer may pay the insurance money to that person or to any other person who is entitled to receive it on his behalf by the law of the domicile of the payee.

Exception
for group
insurance

(4) In the case of a contract of group insurance, insurance money is payable in the province or territory of Canada in which the group life insured was resident at the time he became insured.

Action in
Ontario

172. Notwithstanding where a contract was made, an action on it may be brought in a court by a resident of Ontario if the insurer was authorized to transact insurance in Ontario at the time the contract was made or at the time the action is brought.

Limitation
of action

173.—(1) Subject to subsection 2, an action or proceeding against an insurer for the recovery of insurance money shall not be commenced more than one year after the furnishing of the evidence required by section 170 or more than six years after the happening of the event upon which the insurance money becomes payable, whichever period first expires.

Exception

(2) Where a declaration has been made under section 176, an action or proceeding to which reference is made in subsection 1 shall not be commenced more than one year after the date of the declaration.

Documents
affecting
title

174.—(1) Until an insurer receives at its head or principal office in Canada an instrument or an order of a court affecting the right to receive insurance money, or a notarial copy, or a copy verified by statutory declaration, of any such instrument or order, it may make payment of the insurance money and shall be as fully discharged to the extent of the amount paid as if there were no such instrument or order.

Saving

(2) Subsection 1 does not affect the rights or interests of any person other than the insurer.

Section 171 (1)—Present section 186 (2) has been altered. The rule in this subsection lines up with section 138 (1).

Section 171 (2) is a shortened version of present section 186 (4 and 5).

Section 171 (3) is a redraft of present section 187.

Section 171 (4) replaces present section 186 (3). As in section 139, the residence of the group life insured at the time he became insured is the test used, rather than the domicile at the date of death.

Section 172 replaces present section 140 which is, in a large measure, *ultra vires* of Ontario (see *Gray v. Kerslake* (1958) S.C.R. 3; 1958 C.I.L.S. Bulletins p. 3). In it, the statute purports to be applicable to a contract made outside Ontario under certain circumstances. Ontario has no legislative authority to bring within its jurisdiction a contract actually made in another jurisdiction. Ontario, however, probably has jurisdiction to give residents access to the courts of the province in the circumstances described in this new section.

Section 173—Present section 191 has been redrafted to eliminate the multiplicity of periods therein prescribed.

Section 174 is a shortened version of present section 183.

Section 175 is similar to present section 188 (1). In the first line "insurance" is used instead of "contract" to cover group insurance.

Section 176 is similar to present section 188 (2). Separate sections are used to emphasize the difference between the two types of applications dealt with in this section and in section 175.

Section 177 and section 179 are similar to subsections 3 and 4 of present section 188. Subsection 2 has been revised to line up with section 247 (3) of Part VII, dealing with Accident and Sickness Insurance.

Section 178 is similar to present section 188 (6).

Section 179—See note to section 177.

Section 180 is similar to present section 188 (5).

Section 181 is similar to present section 194 (1) except that the words "one month" have been changed to "thirty days" for consistency with sections 148 (2), 170, 175, 176, etc. In clause (b) "whereabouts" has been used instead of "place of abode". In clause (c) the word "and" is used in place of "or" after the expression "no person capable of giving" and the words "who is willing to do so" have been added. Similar changes were made in section 247 (1) of Part VII, dealing with Accident and Sickness Insurance.

175. Where an insurer admits the validity of the insurance but does not admit the sufficiency of the evidence required by section 170 and there is no other question in issue except a question under section 176, the insurer or the claimant may, before or after action is brought and upon at least thirty days notice, apply to the court for a declaration as to the sufficiency of the evidence furnished, and the court may make the declaration or may direct what further evidence shall be furnished and on the furnishing thereof may make the declaration or, in special circumstances, may dispense with further evidence.

Declaration
as to
sufficiency
of proof

176. Where a claimant alleges that the person whose life is insured should be presumed to be dead by reason of his not having been heard of for seven years and there is no other question in issue except a question under section 175, the insurer or the claimant may, before or after action is brought and upon at least thirty days notice, apply to the court for a declaration as to presumption of the death and the court may make the declaration.

Declaration
as to pre-
sumption
of death

177.—(1) Upon making a declaration under section 175 or 176, the court may make such order respecting the payment of the insurance money and respecting costs as it deems just and, subject to section 179, a declaration or direction or order made under this subsection is binding upon the applicant and upon all persons to whom notice of the application has been given.

Court
may make
order

(2) A payment made under an order made under subsection 1 discharges the insurer to the extent of the amount paid.

Payment
under
order

178. Unless the court otherwise orders, an application made under section 175 or 176 operates as a stay of any pending action with respect to the insurance money.

Stay of
proceedings

179. An appeal lies to the Court of Appeal from any declaration, direction or order made under section 175, section 176 or subsection 1 of section 177.

Appeal

180. Where the court finds that the evidence furnished under section 170 is not sufficient or that a presumption of death is not established, it may order that the matters in issue be decided in an action brought or to be brought, or may make such other order as it deems just respecting further evidence to be furnished by the claimant, publication of advertisements, further inquiry or any other matter or respecting costs.

Power
of court

181. Where an insurer admits liability for insurance money and it appears to the insurer that,

Payment
into court

- (a) there are adverse claimants; or
- (b) the whereabouts of a person entitled is unknown; or
- (c) there is no person capable of giving and authorized to give a valid discharge therefor, who is willing to do so,

the insurer may, at any time after thirty days from the date of the happening of the event upon which the insurance money becomes payable, apply to the court *ex parte* for an order for payment of the money into court, and the court may upon such notice, if any, as it thinks necessary make an order accordingly.

Simul-
taneous
deaths

182. Unless a contract or a declaration otherwise provides, where the person whose life is insured and a beneficiary die at the same time or in circumstances rendering it uncertain which of them survived the other, the insurance money is payable in accordance with subsection 1 of section 160 as if the beneficiary had predeceased the person whose life is insured.

Insurance
money
payable in
instalments

183.—(1) Subject to subsections 2 and 3, where insurance money is payable in instalments and a contract, or an instrument signed by the insured and delivered to the insurer, provides that a beneficiary has not the right to commute the instalments or to alienate or assign his interest therein, the insurer shall not, unless the insured subsequently directs otherwise in writing, commute the instalments or pay them to any person other than the beneficiary, and the instalments are not, in the hands of the insurer, subject to any legal process except an action to recover the value of necessities supplied to the beneficiary or his infant children.

Commuta-
tion by
beneficiary

(2) A court may, upon the application of a beneficiary and upon at least ten days notice, declare that in view of special circumstances,

- (a) the insurer may, with the consent of the beneficiary, commute instalments of insurance money; or
- (b) the beneficiary may alienate or assign his interest in the insurance money.

Commuta-
tion after
death of
beneficiary

(3) After the death of the beneficiary, his personal representative may, with the consent of the insurer, commute any instalments of insurance money payable to the beneficiary.

Interpre-
tation

(4) In this section, "instalments" includes insurance money held by the insurer under section 184.

Section 182—Present section 189 has been revised so as to change the rule from one of succession to one of contract by eliminating any reference to the presumed order of death and substituting a provision (which would form part of the contract) to the effect that the beneficiary only takes if he clearly survives the life insured. Therefore, the new contract rule would follow the insured when he moved out of the jurisdiction.

Section 183 is similar to present section 181, except that clause (a) of present subsection 2 has been dropped as the point covered therein can be dealt with in the contract. In subsection 2, the present provision is revised to make it clear that the court is merely declaring that commutation may take place; the parties must then agree on the basis of commutation, if they are able to do so. In subsection 3, the words "with the consent of the insurer" have been added for a similar reason.

Section 184 replaces and shortens present section 182.

Section 185 is similar to present section 195 except that the two-month period has been shortened to "thirty days".

Section 186 is similar to present section 196.

Section 187 is the same as present section 194 (2-4).

- (c) no change has taken place in the insurability of the life to be insured between the time the application was completed and the time the policy was delivered.

Incontestability

(2) Subject to subsection 3, where a contract has been in effect for two years during the lifetime of the person whose life is insured, a failure to disclose, or a misrepresentation of, a fact required to be disclosed by section 149 does not, in the absence of fraud, render the contract voidable.

Incontestability in group insurance

(3) In the case of a contract of group insurance, a failure to disclose, or a misrepresentation of, such a fact in respect of a person whose life is insured under the contract does not render the contract voidable, but, if evidence of insurability is specifically requested by the insurer, the insurance in respect of that person is voidable by the insurer unless it has been in effect for two years during the lifetime of that person, in which event it is not, in the absence of fraud, voidable.

153. In the case of a contract of group insurance or of creditor's group insurance, a misstatement to the insurer of ^{Misstatement of age in group insurance} the age of a person whose life is insured does not of itself render the contract voidable, and the provisions, if any, of the contract with respect to age or misstatement of age apply.

154.—(1) Where a contract contains an undertaking, express ^{Effect of suicide} or implied, that insurance money will be paid if a person whose life is insured commits suicide, the undertaking is lawful and enforceable.

(2) Subsection 1 of the said section 1 is amended by adding thereto the following paragraph: 1961-62, C. 1, subs. 1, amended

- 16a. "member of the Canadian forces" means a member as defined for the purposes of Part XXIII of the Federal Regulations.

(3) Paragraph 25 of subsection 1 of the said section 1 is repealed and the following substituted therefor: 1961-62, C. 1, subs. 1, par. 25, re-enacted

25. "taxation year" means,

- i. in the case of an individual, a calendar year, and

- ii. in the case of an estate or trust arising on death, notwithstanding clause *a*, a taxation year as defined in paragraph *a* of subsection 13 of section 63 of the Federal Act,

and, when a taxation year is referred to by reference to a calendar year, the reference is to the taxation year or years coinciding with, or ending in, that year.

1961-62,
c.

Idem

- (2) The expression "last day of the taxation year" shall, in the case of an individual who resided in Canada at any time in the taxation year but ceased to reside in Canada before the last day thereof, be deemed to be a reference to the last day in the taxation year on which he resided in Canada.

1961-62,
c.
s. 2,
re-enacted

2. Section 2 of *The Income Tax Act, 1961-62* is repealed and the following substituted therefor:

Income tax
on
individuals

- 2.—(1) An income tax shall be paid as hereinafter required for each of the 1962 to 1966 taxation years, inclusive, by every individual, other than an individual to whom subsection 2 applies,

- (a) who was resident in Ontario on the last day of the taxation year; or
- (b) who, not being resident in Ontario on the last day of the taxation year, had income earned in the taxation year in Ontario as defined in clause *b* of subsection 4 of section 3.

3.—(1) Clause *a* of subsection 4 of section 3 of *The Income Tax Act, 1961-62* is repealed and the following substituted therefor:

- (a) "tax payable under the Federal Act" means the amount of tax payable under Part I of the Federal Act for the taxation year in respect of which that expression is being applied, minus any amount included in computing that amount by virtue of subsection 3 of section 10 of the *Old Age Security Act* (Canada), plus any amount deducted in computing that amount by virtue of sections 33 and 41 of the Federal Act.

- (e) "individual" does not include an individual who was a member of the Canadian Forces during the taxation year to which section 5 applies.

Subsection 4. The expression "last day of the taxation year" is redefined for clarity. The same words that appear in the federal *Income Tax Act* are set out rather than including them by reference.

(2) The Lieutenant Governor in Council may by regulation provide for the determination of the amount of tax payable for a taxation year by an individual who was a member of the Canadian Forces during that taxation year to whom this section applies, based on rates applicable to other individuals under this Act, and may provide for the manner in which the tax so determined is to be paid.

tion of

of tax

(3) In this section,

Interpre-
tation

(a) "income earned in the taxation year in Ontario from sources other than employment as a member of the Canadian Forces" has the same meaning as "income earned in the taxation year in Ontario" as defined in clause b of subsection 4 of section 3, except that, in applying that definition in the case of a member of the Canadian Forces, he shall be deemed to have had no income from employment as a member of the Canadian Forces

in the taxation year and the amount of his income from sources other than his employment as a member of the Canadian Forces earned in that taxation year shall be computed with reference to the provisions of Part XXIII of the Federal Regulations;

- (b) "taxation month" means a taxation month as defined for the purposes of Part XXIII of the Federal Regulations.

5. Section 13 of *The Income Tax Act, 1961-62* is repealed and the following substituted therefor:

provisions

13. Sections 52 and 53, subsection 2 of section 63, paragraph *e* of subsection 13 of section 63 and paragraph *a* of subsection 2 of section 64 of the Federal Act apply *mutatis mutandis* in respect of the payment of tax under this Act for a taxation year by a taxpayer subject to tax under this Act to whom such provisions apply in respect of tax payable under the Federal Act for the same taxation year.

1961-62,
c.
s. 47, subs. 2,
re-enacted

6. Subsection 2 of section 47 of *The Income Tax Act, 1961-62* is repealed and the following substituted therefor:

No further
liability

- (2) Any payment or part thereof applied by the Minister in accordance with a collection agreement towards the tax payable by a taxpayer for a taxation year under this Act,

(a) relieves the taxpayer of liability to pay such tax to the extent of the payment or part thereof so applied; and

(b) shall be deemed to have been applied in accordance with a direction made by the taxpayer.

1961-62,
c.
s. 48,
re-enacted

7. Section 48 of *The Income Tax Act, 1961-62* is repealed and the following substituted therefor:

Where no
action by
employee

48. Where a collection agreement is entered into and an amount is remitted to the Minister under section 9 on account of the tax of an individual who is resident on the last day of the taxation year in another agreeing province,

(a) no action lies for the recovery of such amount by that individual; and

(b) the amount may not be applied in discharge of any liability of that individual under this Act.

SECTION 5. This amendment is designed to ensure that a trust or estate is to be taxed as if it were an individual in the same manner as is done under subsection 2 of section 63 of the federal *Income Tax Act*.

SECTION 6. This amendment makes any application of payments by the Minister under subsection 1 of section 47 of the Ontario Act binding on the taxpayer.

SECTION 7. This amendment will ensure that no amounts deducted at the source from the wages of an individual who has moved from Ontario to another agreeing province may be applied against tax payable in Ontario in respect of income that the taxpayer may have earned there.

SECTION 8. This section introduces a new section to the Act to provide for an agreement between Ontario and the Minister of Finance of a non-agreeing province whereby adjusting payments may be made by Ontario to the non-agreeing province and by the non-agreeing province to Ontario with respect to taxes deducted at the source by employers on account of tax payable by an employee in one of the provinces who resides in the other on the last day of the taxation year. It is similar in principle to the provisions of sections 48 and 49 of the present Act which deal with the same situation when an employee working in one province resides in another and both of the provinces have collection agreements with the federal government.

8. *The Income Tax Act, 1961-62* is amended by adding thereto the following section: 1961-62,

(b) shall be the amount calculated by the Minister to be the amount required to be paid under subsection 4,

and the payment thereof discharges any obligation the Government of Canada may have with respect to the payment to Ontario of any amount remitted under section 9 to which subsection 5 applies.

Application
of Act

9.—(1) This Act, except section 7, applies in respect of the taxation year 1962 and in respect of subsequent taxation years.

allowances

(1) The amount of every annual superannuation and disability allowance shall be computed by dividing by 50 the amount of the average annual salary of the contributor during the thirty-six consecutive months of his contributory service during which his salary was highest and multiplying the quotient by the total number of full years and any part of a year of contributory service, but not more than thirty-five years of service shall be reckoned.

(2) The said section 11, as amended by section 4 of *The Public Service Superannuation Amendment Act, 1960-61*, is further amended by adding thereto the following subsection:

SECTIONS 3 and 5. The purpose of these amendments is to clarify the intent by removing an inconsistency between the allowance provisions and the annuity provisions of the Act. The effect will be that a person between 60 and 65 years of age with a service of between 10 and 20 years qualifies for an immediate annuity and if he has 20 or more years service he qualifies for an allowance. The calculation is the same except that the annuity is reduced 1 per cent for each year of service less than 20.

SECTION 4—Subsection 1. The intent is clarified. No change in principle.

Subsection 2. Provision is made for the exceptional case mentioned.

SECTIONS 6 and 7. The intent is clarified. No change in principle.

5. Subsection 2 of section 12 of *The Public Service Superannuation Act* is amended by inserting after "years" in the ^{R.S.O. 1960, c. 332, s. 12, subs. 2, amended} second line "but less than twenty years", so that the subsection shall read as follows:

- (2) Every contributor who has contributed continuously ^{Immediate annuities} to the Fund in respect of ten or more years but less than twenty years and who ceases to be employed after he is sixty years of age and who is not entitled to an allowance under this Part is entitled to an immediate annuity.

6. Section 13 of *The Public Service Superannuation Act* is ^{R.S.O. 1960, c. 332, s. 13, re-enacted} repealed and the following substituted therefor:

- 13.—(1) The amount of every deferred annuity shall be ^{Computation of deferred annuities} computed in the same manner as provided in subsections 1, 3 and 4 of section 11, except that the amount so determined shall then be reduced by 1 per cent for each whole year by which the number of years of contributory service is less than twenty years.

- (2) The amount of every immediate annuity shall be ^{Computation of immediate annuities} computed in the same manner as provided in subsections 1, 3 and 4 of section 11, except that,

- (a) where the person is fifty years of age or more but less than sixty, in lieu of dividing by 50, the divisor shall be in accordance with the following table:

Age	Divisor
59.....	54
58.....	58
57.....	62
56.....	67
55.....	72
54.....	77
53.....	82
52.....	88
51.....	94
50.....	100

and

- (b) the amount so determined shall then be reduced by 1 per cent for each whole year by which the number of years of contributory service is less than twenty years.

c. 332, s. 16
(1960-61,

Re-
employment

- 16.—(1) Where a former contributor who is in receipt of an allowance or annuity is re-employed or engaged in any capacity in the public service, payment thereof shall be suspended during the period of his re-employment or engagement.

Idem

- (2) Any period of re-employment referred to in subsection 1 during which a person contributes under this Part shall be added to the period of his prior employment, and the allowance or the annuity payable upon termination of his re-employment shall be recalculated accordingly.

Idem

- (3) Notwithstanding subsections 1 and 2, where a person in receipt of an allowance or annuity has been appointed under *The Public Service Act* or is appointed under *The Public Service Act, 1961-62* because the Lieutenant Governor in Council desires to have such person's professional, expert or technical knowledge at his disposal, payment of the allowance or annuity shall not be suspended or recalculated.

SECTION 8. The effect of this amendment will be to bar a person from a refund of his contributions where he is entitled to an immediate annuity as is the case now where he is entitled to an allowance.

SECTION 9. The intent is clarified. No change in principle.

SECTION 10. Under section 40 of Bill 126, *An Act to amend The Municipal Act*, power to appoint jailers and jail employees is transferred from the Lieutenant Governor in Council to the county or city that operates a jail.

This amendment provides that persons appointed before the change-over continue to contribute to the Public Service Superannuation Fund while those appointed after that date will be treated for pension purposes as employees of the county or city, as the case may be.

SECTION 11. The section amended authorizes reciprocal arrangements with other governments, etc., as to the pension rights of employees who transfer from one to another.

This amendment will enable these agreements to contain a provision that will ensure persons who transfer to the Ontario Civil Service an allowance under section 10 or 20 of the Act in line with his service in another jurisdiction and his service in Ontario.

SECTION 12. These amendments remove an inconsistency and bring section 33 of the Act into line with section 17.

c. 332, s. 28,
amended

- (4) An agreement entered into under subsection 3 may provide that, for the purpose of computing the minimum requirement of ten years of service for an allowance under section 10 or 20, service rendered to the other party to the agreement may be included up to the maximum set forth in the agreement, and any such allowance shall then be computed upon the service for which contributions have been made to the Fund without regard to subsection 2 of section 11. Idem

12.—(1) Subsection 1 of section 33 of *The Public Service Superannuation Act* is amended by striking out "three years or less" in the second line and inserting in lieu thereof "less than three years", so that the subsection shall read as follows: R.S.O. 1960,

BILL 165

**3RD SESSION, 26TH LEGISLATURE, ONTARIO
10-11 ELIZABETH II, 1961-62**

An Act to provide for the Extension, Improvement and Solvency of Pension Plans and the Portability of Pension Benefits

MR. ROBARTS

EXPLANATORY NOTES

This Bill is recommended by the Ontario Committee on Portable Pensions.

SECTION 1—Clause (a). It is contemplated that a Central Pension Agency will be established by the Parliament of Canada. The function of the Central Pension Agency is described in the Second Report of the Ontario Committee on Portable Pensions.

Clause (b). Self-explanatory.

Clauses (c) and (d). The definitions of "employee" and "eligible employee" are of particular importance with reference to the provisions of section 16 (1) (a) and (b). An employee may qualify as an eligible employee only if he works in Ontario for a period of not less than 6 consecutive months. He will qualify as an eligible employee if he has attained the age of 30 years and is a member of a mandatory group. It is intended that, after an employee has qualified under the 6-month service rule, he shall be required to become a member of the pension plan covering his mandatory group. If he then remains in service for a further period of 12 months, his pension benefit credits will accrue from the date upon which he became a member of the pension plan. The provision that an employee must be in service for a continuous period of not less than 6 months is intended to exclude seasonal workers from the definition of "employee".

Clause (e). Self-explanatory.

BILL 165

1961-62

An Act to provide for the Extension, Improvement and Solvency of Pension Plans and the Portability of Pension Benefits

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,

Interpre-
tation:

- (a) "Central Pension Agency" means the Central Pension Agency established by the Parliament of Canada for the purposes of this Act;
- (b) "Commission" means the Pension Commission of Ontario;
- (c) "eligible employee" means an employee who has attained the age of thirty years and who is a member of a mandatory group, but does not include an employee engaged in excepted employment as prescribed by the regulations; and "eligible employment" means employment as an eligible employee;
- (d) "employee" means an individual who performs service in Ontario on a full-time or part-time basis for a continuous period of not less than six months in any period of twelve months, under a written or oral contract of hiring, of service or of apprenticeship, and includes an officer of a corporation;
- (e) "employer" means,
 - (i) in relation to any employee, the person, partnership, firm, association, institution or other unincorporated organization or corporation wherever incorporated carrying on business in Ontario from whom the employee receives his salary, wages, commission, pay or allowances, and

- (ii) in relation to a mandatory group, a person, partnership, firm, association, institution or other unincorporated organization or corporation wherever incorporated carrying on business in Ontario who employs a mandatory group,

and includes Her Majesty in right of Canada, Her Majesty in right of Ontario, an agent of Her Majesty or a local board as defined in *The Department of Municipal Affairs Act*;

R.S.O. 1960,
c. 98

- (f) "mandatory group" means a group of fifteen or more employees,

- (i) employed by the same employer or by two or more employers who are not or would be deemed not to deal with each other at arm's length under section 1 of *The Corporations Tax Act*, or

R.S.O. 1960,
c. 73

- (ii) employed by a trade association or other group of employers with which the employees have entered into a master contract governing rates of pay and conditions of work,

and "non-mandatory group" means a group of fewer than fifteen employees who are so employed;

- (g) "Minister" means the member of the Executive Council designated by the Lieutenant Governor in Council to administer this Act;

- (h) "pension benefit" means the aggregate annual, monthly or other periodic amounts to which an eligible employee will become entitled at the retirement age under a pension plan; and "pension benefit credit" means the value at a particular time of the pension benefits to which an eligible employee has become irrevocably entitled;

- (i) a unit benefit plan under which pension benefits are determined with reference to the salary or wages of an employee for each year of service, or for a selected number of years of service,

Clause (f). In determining the number of members of a group of employees, all employees as defined are counted. A mandatory group may have fewer than 15 eligible employees.

The "arm's length" rule is intended to prevent the splitting of employee groups among related corporations.

Subclause (ii) will, for example, bring under the Act smaller groups of employees of employers who are members of a trade association.

Clause (g). Self-explanatory.

Clause (h). The expression "pension benefit" refers to the periodic pension receivable by an employee at the retirement age provided by the pension plan. The employee may be entitled to a lesser pension in the case of early retirement, but the lesser pension would be the actuarial equivalent of the normal pension at normal retirement.

The term "pension benefit credit" is the amount that is "portable" by an employee when he moves from one employer to another or retires prior to the retirement age permitted under the terms of the pension plan. Sections 16 and 17 provide for the portability of pension benefit credits for both standard and supplementary pension plans.

Clause (i). The particular types of pension plan described by this clause are not exhaustive, but describe the majority of pension plans presently in force.

Clauses (j), (k) and (l). Self-explanatory.

Clause (m). Most existing pension plans provide for pension benefits greater than the minimum pension benefits required to be provided by a standard pension plan under the Act. This definition therefore refers to a pension plan *or part thereof* in order to avoid the splitting of existing pension plans for registration purposes. See section 13 (9).

Clause (n). Self-explanatory.

Clause (o). A supplementary pension plan may be part of a registered plan which provides standard pension benefits, and the part of the plan which provides for the payment of supplementary pension benefits constitutes a supplementary pension plan.

SECTIONS 2, 3, 4, 5 and 6. Self-explanatory.

- (ii) a money purchase plan under which pension benefits are determined at the retirement of an employee with reference to the accumulated amount of the aggregate contributions paid by or for the credit of the employee,
- (iii) a flat benefit plan under which the pension benefits are expressed either as a fixed amount in respect of each year of employment or as a fixed periodic amount, and
- (iv) a deferred profit-sharing pension plan;
- (j) "registered pension plan" means a pension plan that is registered with and certified by the Commission as a plan organized and administered in accordance with Part II of this Act;

- (c) provide for the payment of a single life annuity based upon contributions to or under the plan in respect of eligible employment after the year 1964 to each eligible employee, commencing not later than age seventy, calculated on the basis of a monthly amount of not less than, in the case of,
 - (i) a unit benefit plan, one-half of 1 per cent of the monthly earnings for each year of eligible employment, applied to the salary or wage earned up to \$400 per month,
 - (ii) a money purchase plan, a pension derived from a total contribution of 4 per cent of the first \$400 of earnings per month, and
 - (iii) a flat rate plan, \$2 for each year of eligible employment,

pension plan together with interest at a rate of not less than $2\frac{1}{2}$ per cent or to such other benefit of at least equivalent value;

Clauses (d) and (e). These clauses provide for vesting of standard pension benefit credits and for portability or transfer of those credits. The amount standing to the credit of an eligible employee may, according to the terms of the pension plan, provide for the immediate purchase of a deferred annuity upon termination of employment, the "cold storage" of the employee's credits, or the transfer of the credits to the Central Pension Agency or to the standard pension plan covering the mandatory group of which the employee becomes a member when he takes new employment.

33 years.....	not more than 20 per cent
34 years.....	no part

of such contributions; and

- (g) provide that, where an employee terminates his employment and is required by the terms of the plan to withdraw all or part of the contributions made by him, the employee may direct that his contributions be transferred to the Central Pension Agency or to the pension plan of which he becomes a member upon entering into new employment if that plan so permits.

(2) Notwithstanding clause *e* of subsection 1, the Superintendent may require payment of a pension benefit credit derived from a standard pension plan to the Central Pension Agency or to the standard pension plan of which an employee becomes a member upon entering into new employment.

Clause (c). Funding requirements are to be prescribed by regulation both for new plans providing pension coverage in respect of eligible employment after the year 1964, and for old plans in existence prior to 1965 which carry past service obligations. The wide variation of conditions of solvency among different pension plans requires the prescription of tests for solvency by regulation in order to achieve flexibility and maintain equity.

Clause (d). The regulations made pursuant to this clause will take into account special circumstances arising in the case of insolvent or bankrupt pension funds.

SCHEDULE

THIS AGREEMENT made (in duplicate) this 20th day of October, in the year of Our Lord one thousand nine hundred and sixty-one

BETWEEN:

THE CORPORATION OF THE CITY OF LONDON
(hereinafter called the City),

OF THE FIRST PART,

— and —

LONDON FREE PRESS PRINTING COMPANY LIMITED
(hereinafter called the Company),

OF THE SECOND PART.

WHEREAS by Statutes of Ontario, 53 Victoria, chapter 89, the City was empowered to make, and made, a conveyance to E. Leonard & Sons of the southerly thirty-three feet of York Street, lying between Waterloo and Colborne Streets, in the City of London, subject to the proviso that the same should revert to the City if the same should cease to be used for manufacturing purposes, and subject thereto the lands should be vested in the said firm in fee simple;

AND WHEREAS in pursuance of the said powers and a by-law passed by the City on the 15th day of December, 1890, as No. 555 and the agreement of E. Leonard & Sons that suitable brick buildings for manufacturing purposes should be erected by the said firm, which buildings were so erected, the City conveyed to the said firm, by deed dated the 9th day of March, 1891, the said southerly thirty-three feet of York Street, lying between Colborne and Waterloo Streets;

AND WHEREAS the Company has acquired an option to purchase lands in the City of London, lying north of the Canadian National Railway right of way, west of Colborne Street, east of Waterloo Street and south of York Street, including the southerly thirty-three feet of York Street so conveyed by the City to E. Leonard & Sons by the said deed dated the 9th day of March, 1891, for the purpose of erecting thereon substantial buildings for the production and manufacture of its newspaper;

AND WHEREAS the said lands have been so used for manufacturing purposes and the Company desires that, before exercising the said option to purchase and undertaking the expenditure of large sums of money for the construction of a new building for the purpose of production and manufacture of its newspaper and for the equipment of such building, any limitations on title to the said portion of York Street should be removed;

AND WHEREAS the parties hereto have agreed in the manner herein-after provided;

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the premises and of the sum of One dollar now paid by each of the parties hereto to the other (the receipt whereof is hereby by each of them acknowledged) the parties hereto mutually COVENANT AND AGREE each with the other as follows:

1. The City will grant, release and quitclaim unto the Company all covenants, conditions, provisos and agreements, including the right of reversion referred to in the said Statute, by-law, agreement and deed, to the effect that the lands referred to therein shall vest in fee simple in possession in the Company, free from any rights of the City or the rate-payers and inhabitants thereof, including rights of forfeiture or reversion.

2. The Company will convey to the City for highway purposes the northerly ten feet of the said southerly thirty-three feet of York Street, without consideration, notwithstanding that the cost to the Company of the said portion so to be conveyed is approximately \$22,000. The City will, when the said ten feet are so conveyed, pass a by-law constituting the same a public highway as an addition to York Street (the southerly limit of the said ten feet after such addition is hereinafter referred to as the "new southerly limit").

3. The City will use its best endeavours to obtain from Canadian National Railway a consent to the closing of the stub end of Waterloo Street lying between the Canadian National Railway right of way and the extension westerly of the new southerly limit of York Street. The City will, upon obtaining such consent, pass a by-law carrying out the said closing, and will convey for a nominal consideration the easterly one-half of the said portion so closed to the Company, and the remainder to the Canadian National Railway.

4. The City will, at the request of the Company, and when traffic conditions make the said desirable, establish traffic lights at the intersection of Waterloo and York Streets to regulate traffic, which traffic lights shall regulate traffic to and from that portion of Waterloo Street proposed to be stopped up and closed as effectively after closing as before.

5. The City will at its own expense,

- (a) subject to the provisions of paragraph 6 of this agreement, within the twelve months following the Company's occupation of its proposed building, construct a curb and gutter at the northerly limit of the said ten feet to be conveyed to the City and a five-foot sidewalk along the new southerly limit of York Street between Colborne Street and Waterloo Street;
- (b) within the said twelve-month period, widen the travelled portion of the said street to give and maintain three lanes of east bound vehicular traffic immediately adjoining the said curb and gutter;
- (c) within fifteen years following the Company's occupation of its proposed building, enter into and carry to completion a street widening programme so that there will be the said three lanes of east bound traffic, a median of minimum width of eleven feet, the southerly limit of which will be forty-six feet north of the new southerly limit of York Street, and which will provide left turn lanes for east and west bound vehicular traffic, and also provide for passages across such median with appropriate holding lanes to serve traffic to and from the Company's premises.

6. The City will, at the Company's request, extend the said sidewalk northerly by an amount not exceeding five additional feet; the manner in which the cost thereof shall be borne shall be first agreed upon by the City and the Company.

7. The City agrees to apply forthwith for special legislation to declare this agreement legal, valid and binding upon the parties hereto and the ratepayers and inhabitants of the City, empowering the parties to carry out the same and to provide that the provisions of *The Municipal Act* shall not apply to the said street closing.

8. If the Company shall fail to exercise its option to purchase the lands in question and to obtain a conveyance thereof, this agreement shall be of no further force and effect.

IN WITNESS WHEREOF the parties hereto have hereunto caused to be affixed their respective corporate seals attested by the hands of their respective proper officers.

AND WHEREAS in pursuance of the said powers and a by-law passed by the City on the 15th day of December, 1890, as No. 555 and the agreement of E. Leonard & Sons that suitable brick buildings for manufacturing purposes should be erected by the said firm, which buildings were so erected, the City conveyed to the said firm, by deed dated the 9th day of March, 1891, the said southerly thirty-three feet of York Street, lying between Colborne and Waterloo Streets;

AND WHEREAS the Company has acquired an option to purchase lands in the City of London, lying north of the Canadian National Railway right of way, west of Colborne Street, east of Waterloo Street and south of York Street, including the southerly thirty-three feet of York Street so conveyed by the City to E. Leonard & Sons by the said deed dated the 9th day of March, 1891, for the purpose of erecting thereon substantial buildings for the production and manufacture of its newspaper;

AND WHEREAS the said lands have been so used for manufacturing purposes and the Company desires that, before exercising the said option to purchase and undertaking the expenditure of large sums of money for the construction of a new building for the purpose of production and manufacture of its newspaper and for the equipment of such building, any limitations on title to the said portion of York Street should be removed;

AND WHEREAS the parties hereto have agreed in the manner hereinafter provided;

NOW THEREFORE THIS INDENTURE WITNESSETH that in consideration of the premises and of the sum of One dollar now paid by each of the parties hereto to the other (the receipt whereof is hereby by each of them acknowledged) the parties hereto mutually COVENANT AND AGREE each with the other as follows:

1. The City will grant, release and quitclaim unto the Company all covenants, conditions, provisos and agreements, including the right of reversion referred to in the said Statute, by-law, agreement and deed, to the effect that the lands referred to therein shall vest in fee simple in possession in the Company, free from any rights of the City or the rate-payers and inhabitants thereof, including rights of forfeiture or reversion.

2. The Company will convey to the City for highway purposes the northerly ten feet of the said southerly thirty-three feet of York Street, without consideration, notwithstanding that the cost to the Company of the said portion so to be conveyed is approximately \$22,000. The City will, when the said ten feet are so conveyed, pass a by-law constituting the same a public highway as an addition to York Street (the southerly limit of the said ten feet after such addition is hereinafter referred to as the "new southerly limit").

3. The City will use its best endeavours to obtain from Canadian National Railway a consent to the closing of the stub end of Waterloo Street lying between the Canadian National Railway right of way and the extension westerly of the new southerly limit of York Street. The City will, upon obtaining such consent, pass a by-law carrying out the said closing, and will convey for a nominal consideration the easterly one-half of the said portion so closed to the Company, and the remainder to the Canadian National Railway.

4. The City will, at the request of the Company, and when traffic conditions make the said desirable, establish traffic lights at the intersection of Waterloo and York Streets to regulate traffic, which traffic lights shall regulate traffic to and from that portion of Waterloo Street proposed to be stepped up and closed as effectively after closing as before.

5. The City will at its own expense,

(a) subject to the provisions of paragraph 6 of this agreement, within the twelve months following the Company's occupation of its proposed building, construct a curb and gutter at the northerly limit of the said ten feet to be conveyed to the City and a five-foot sidewalk along the new southerly limit of York Street between Colborne Street and Waterloo Street;

(b) within the said twelve-month period, widen the travelled portion of the said street to give and maintain three lanes of east bound vehicular traffic immediately adjoining the said curb and gutter;

(c) within fifteen years following the Company's occupation of its proposed building, enter into and carry to completion a street widening programme so that there will be the said three lanes of eastbound traffic, a median of minimum width of eleven feet, the southerly limit of which will be forty-six feet north of the new southerly limit of York Street, and which will provide left turn lanes for east and west bound vehicular traffic, and also provide for passages across such median with appropriate holding lanes to serve traffic to and from the Company's premises.

6. The City will, at the Company's request, extend the said sidewalk northerly by an amount not exceeding five additional feet; the manner in which the cost thereof shall be borne shall be first agreed upon by the City and the Company.

7. The City agrees to apply forthwith for special legislation to declare this agreement legal, valid and binding upon the parties hereto and the ratepayers and inhabitants of the City, empowering the parties to carry out the same and to provide that the provisions of *The Municipal Act* shall not apply to the said street closing.

8. If the Company shall fail to exercise its option to purchase the lands in question and to obtain a conveyance thereof, this agreement shall be of no further force and effect.

IN WITNESS WHEREOF the parties hereto have hereunto caused to be affixed their respective corporate seals attested by the hands of their respective proper officers.

SCHEDULE B

THIS AGREEMENT made in duplicate the First day of May, 1961.

BETWEEN:

MARKHAM AND EAST YORK AGRICULTURAL SOCIETY,
hereinafter called the Party,

OF THE FIRST PART,

—and—

THE CORPORATION OF THE VILLAGE OF MARKHAM,
hereinafter called the Party,

OF THE SECOND PART.

WHEREAS the Party of the First Part is the Owner of the lands more fully described in Schedule "A" attached hereto and forming part of this Agreement.

NOW THEREFORE In Consideration of the Covenants and Provisoes hereinafter set forth, the Parties hereto hereby mutually covenant and agree as follows:

1. The Party of the First Part hereby covenants and agrees to allow the Party of the Second Part to have the exclusive use and occupation of the lands more particularly described in Schedule "A" attached hereto, subject to the reservations hereinafter contained, for a period of seventy-five years from and including the first day of May, 1961 to and including the 30th day of April, 2036.

2. The Parties of the First and Second Parts covenant and agree to erect on the said lands a building according to the plans and specifications and more particularly referred to as Schedule "B" to this agreement. The Party of the Second Part shall be entitled to operate and use the building for the purpose of an ice skating arena together with such other purposes as the Party of the Second Part may from time to time determine, including public and private functions and gatherings, provided that such operation shall not be contrary to law.

3. The Party of the Second Part covenants and agrees to totally maintain the said property including all repairs necessary to maintain the said building in a good and workmanlike condition during the term of this agreement and shall not under any circumstances request or require the Party of the First Part to supply any part of its maintenance grants awarded to the Party of the First Part for repairs. All repairs and maintenance to the building shall be completed by the Party of the Second Part or its agents in as expedient a manner as possible so as not to interfere with the occupation and operation of the said building by the Party of the First Part at the times in each year hereinafter specified.

4. The Party of the Second Part covenants and agrees to pay all or any Municipal taxes levied against the said building and lands described in Schedule "A" attached hereto, including local improvement taxes, but not including any taxes or local improvement taxes assessed against the balance of the lands owned by the Party of the First Part.

5. The Party of the Second Part covenants and agrees to insure the respective interests of the Parties of the First and Second Parts in the said building at its own expense while the building is under construction and after the building has been fully completed to the full insurable value of the building when completed, which insurance without limiting the generality of the foregoing shall include loss or damage by fire, wind and water and loss under such insurance policies shall be payable to the

Parties of the First and Second Parts respectively to the extent of their respective interests. The Party of the Second Part further covenants and agrees to insure the premises and all people using the premises with liability insurance to limits satisfactory to the Party of the First Part, and which policy shall insure both the liability of the Parties of the First and Second Parts, the cost of which insurance shall be the sole responsibility of the Party of the Second Part.

6. The Party of the Second Part covenants and agrees to pay to the Party of the First Part a rental amounting to One thousand dollars per year for the period of the first ten years of this agreement which rental shall be payable Two hundred and fifty dollars quarterly commencing on the First day of November, 1961 and thereafter on the First days of February, May, August and November in each year until the First day of August, 1966. The rental for each successive ten year period shall be subject to a review and agreement between the Parties. In the event the Parties hereto are unable to agree as to the amount of the rental for any succeeding ten year term under this agreement, either Party hereto shall have the right to submit the matter to arbitration. Thereupon each Party shall appoint an arbitrator and these shall jointly select a third, and the decision of any two arbitrators shall be final and binding upon the Parties, subject to the proviso that no award of the arbitrators or a majority of them shall grant an increase or decrease in rental of more than ten per cent per year over the annual rental in the immediately preceding ten year period. The procedure on such arbitration shall conform to the laws of the Province of Ontario. In the case of failure of the two arbitrators appointed by the Parties hereto to agree upon a third arbitrator, such third arbitrator shall be appointed by a Judge of the County Court of the County of York. The costs of any such arbitration shall be borne equally between the Parties.

7. The Party of the Second Part covenants and agrees to erect a temporary fence around the parking area included in the lands covered by this agreement and more fully described in Schedule "A" attached hereto, which temporary fence will be removed by the Party of the Second Part prior to the date in each year when possession of the said lands and building is to be granted to the Party of the First Part, and replaced by the Party of the Second Part immediately after the date upon which possession of the said lands and building has been returned to the Party of the Second Part according to the provisions of this agreement as herein-after set forth. The said parking area shall be maintained by the Party of the Second Part in a proper manner at all times.

8. The Party of the First Part covenants and agrees to pay to the credit of a joint account in the names of the Parties of the First and Second Parts, the sum of Twenty thousand dollars (\$20,000.00) toward the cost of the construction of the said building. In addition the Party of the First Part covenants and agrees to apply all capital grants and subsidies received by the Party of the First Part from the Government of the Province of Ontario and the Government of the Dominion of Canada towards the construction of this building, all of which contributions, grants and subsidies will be paid by the Party of the First Part to the joint account aforesaid in due course as received by the Party of the First Part. The Party of the First Part shall not be required to pay any further sum of money other than as aforesaid and in the event that the Party of the First Part is required to pay any further sums for any reason whatsoever it shall be forthwith indemnified by the Party of the Second Part. The Party of the First Part further covenants and agrees to do everything in its power to obtain grants as large as possible from the Governments hereinbefore referred to towards the cost of construction of the said building so as to assist the Party of the Second Part in every way in financing the cost of construction of the said building. Nothing in this agreement shall be construed so as to give either the Party of the First Part and Second Part the power or right to enter into any conditional sales contract or chattel mortgage of any nature whatsoever which will have the effect of encumbering any of the lands set out in Schedule "A" hereto or any part of the building or chattels in the building situate upon the lands aforesaid and the parties hereto agree not to encumber the lands, building or chattels in any manner whatsoever.

9. Any contract for the construction of the said building to be erected on the said lands shall be subject to the approval of the Party of the First Part. Any such contractor shall be fully bonded and shall file with the Parties of the First and Second Parts a completion bond from a bonding company satisfactory to the Parties of the First and Second Parts which bond shall be in favour of both the Parties of the First and Second Parts. The firm of architects to be employed in the preparation of plans and the supervision of construction shall be subject to the approval of the Party of the First Part and the Party of the Second Part.

10. This Agreement shall be expressly conditional upon the approval of the Department of Municipal Affairs, the Ontario Municipal Board and any other Governmental Departments concerned, which approval shall include all financing required by the Party of the Second Part in order to complete the construction of the said building and equipment. In the event the Party of the Second Part is unable to obtain any necessary approvals for this project or for the financing of same, this agreement shall be null and void.

11. The Parties of the First and Second Parts covenant and agree to do all within their power to have the said building completed by the first day of September, 1961 so that the building will be available to the Party of the First Part for its Agricultural Fair in the Fall of 1961. Such completion shall include the completion of a cement floor in the said building and shall also include all outside grading, but the Party of the Second Part shall not be required to have the artificial ice equipment installed by that date.

12. The Party of the First Part shall in each year during the currency of this Agreement be entitled to exclusive possession of the said land and building hereinbefore referred to and which said land is more particularly described in Schedule "A" attached hereto for a ten day period between the 15th day of September and the 15th day of October in each year for the purpose of using and occupying the said land and building for the Agricultural Fair operated by the Party of the First Part. The said ten day period shall be determined by the Board of Directors of the Party of the First Part prior to the First day of March in each year and notice of the period selected shall be forwarded by the Party of the First Part to the Party of the Second Part prior to the First day of March in each year. In addition the Party of the First Part shall have a right of access to the said land and building for purposes of inspection during the period from September 1st to October 15th in each year.

13. The Party of the First Part shall be entitled to access at all times to a room in the said building to be identified as the Fair Board Room subject to the right of the Party of the Second Part to the use and occupation of the said room as and when the same is not required by the Party of the First Part.

14. The Party of the Second Part covenants and agrees to obtain a survey of the said lands and premises which are the subject of this agreement at its own expense and further agrees to supply a copy of the said survey to the Party of the First Part.

15. The Parties hereby mutually covenant and agree that in the event the said building is totally destroyed and the amount of the proceeds from the insurance policies on the said building are insufficient to meet the cost of the replacement of the said building, the difference between the amount of the proceeds of the insurance and the total replacement cost of the building shall be borne and paid by the Parties hereto in direct proportion to the amount of the respective contributions towards the original cost of the said building. In determining the proportion of the contributions of the Party of the First Part to the original cost of the building, the amount of grants and subsidies shall be included as well as the amount of the direct contribution of the Party of the First Part. In calculating the amount of the contribution of the Party of the Second Part towards the cost of the original construction of the said building the

amount of all donations received towards the said project by citizens of the Municipality and surrounding area shall be included with the amount of direct contribution of the Party of the Second Part in determining the total contribution of the Party of the Second Part.

16. The Parties hereto mutually covenant and agree that in the event of any breach of covenant by either or both of the Parties to this agreement, such breach of covenant shall not entitle either party to terminate this agreement in any way and the only remedy available to either party to this agreement with respect to a breach of covenant by the other party shall be a remedy in damage.

17. Nothing in this Agreement shall prevent the Party of the Second Part from operating the said land and building as a public arena and community centre and the Party of the Second Part shall be entitled at all times to rent or lease the said land and building or any part thereof without the consent of the Party of the First Part during the time or times in each year when the Party of the Second Part is entitled to possession of the said building.

This Agreement shall enure to and be binding upon the Parties hereto their successors and assigns.

IN WITNESS WHEREOF the Parties hereto have hereunto affixed their Corporate Seals duly attested by their proper signing officers in that behalf.

BETWEEN:

MARKHAM AND EAST YORK AGRICULTURAL SOCIETY,

OF THE FIRST PART,

—and—

THE CORPORATION OF THE VILLAGE OF MARKHAM,
hereinafter called the Party,

OF THE SECOND PART.

WHEREAS the Party of the First Part is the Owner of the lands more fully described in Schedule "A" attached hereto and forming part of this Agreement.

NOW THEREFORE In Consideration of the Covenants and Provisoes hereinafter set forth, the Parties hereto hereby mutually covenant and agree as follows:

1. 2. The Parties of the First and Second Parts covenant and agree to erect on the said lands a building according to the plans and specifications and more particularly referred to as Schedule "B" to this agreement. The Party of the Second Part shall be entitled to operate and use the building for the purpose of an ice skating arena together with such other purposes as the Party of the Second Part may from time to time determine, including public and private functions and gatherings, provided that such operation shall not be contrary to law.

3. All repairs and maintenance to the building shall be completed by the Party of the Second Part or its agents in as expedient a manner as possible so as not to interfere with the occupation and operation of the said building by the Party of the First Part at the times in each year hereinafter specified.

4. The Party of the Second Part covenants and agrees to pay all or any Municipal taxes levied against the said building and lands described in Schedule "A" attached hereto, including local improvement taxes, but not including any taxes or local improvement taxes assessed against the balance of the lands owned by the Party of the First Part.

5. The Party of the Second Part covenants and agrees to insure the respective interests of the Parties of the First and Second Parts in the said building at its own expense while the building is under construction and after the building has been fully completed to the full insurable value of the building when completed, which insurance without limiting the generality of the foregoing shall include loss or damage by fire, wind and water and loss under such insurance policies shall be payable to the

The procedure on such arbitration shall conform to the laws of the Province of Ontario. In the case of failure of the two arbitrators appointed by the Parties hereto to agree upon a third arbitrator, such third arbitrator shall be appointed by a Judge of the County Court of the County of York. The costs of any such arbitration shall be borne equally between the Parties.

Such completion shall include the completion of a cement floor in the said building and shall also include all outside grading, but the Party of the Second Part shall not be required to have the artificial ice equipment installed by that date.

12. The Party of the First Part shall in each year during the currency of this Agreement be entitled to exclusive possession of the said land and building hereinbefore referred to and which said land is more particularly described in Schedule "A" attached hereto for a ten day period between the 15th day of September and the 15th day of October in each year for the purpose of using and occupying the said land and building for the Agricultural Fair operated by the Party of the First Part. 15. The Parties hereby mutually covenant and agree that in the event the said building is totally destroyed and the amount of the proceeds from the insurance policies on the said building are insufficient to meet the cost of the replacement of the said building, the difference between the amount of the proceeds of the insurance and the total replacement cost of the building shall be borne and paid by the Parties hereto in direct proportion to the amount of the respective contributions towards the original cost of the said building. In determining the proportion of the contributions of the Party of the First Part to the original cost of the building, the amount of grants and subsidies shall be included as well as the amount of the direct contribution of the Party of the First Part. In calculating the amount of the contribution of the Party of the Second Part towards the cost of the original construction of the said building the

SCHEDULE

THIS AGREEMENT made in duplicate the 15th day of May, A.D. 1961,
BETWEEN:

NEPEAN TOWNSHIP HIGH SCHOOL DISTRICT BOARD,
hereinafter called the "Nepean Board",

—and—

COLLEGIATE INSTITUTE BOARD OF OTTAWA,
hereinafter called the "Ottawa Board".

WHEREAS the Ottawa Board did, on the twenty-third day of November, 1959, notify by letter the Nepean Board that, effective July 1, 1962, the Ottawa Board would not be in a position to accommodate all of the Nepean Township students.

AND WHEREAS the Nepean Board is planning to erect secondary schools situate in the Township of Nepean in the County of Carleton, the first of which, with its fixtures, equipment and site is hereinafter referred to as "Bell High School".

AND WHEREAS it has been agreed between the parties hereto that the Ottawa Board will operate Bell High School and others in the same manner in which it operates its own secondary schools in the City of Ottawa.

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the premises and the terms and conditions hereinafter contained the parties hereto mutually agree as follows:

1. The lands upon which the Bell High School and others are to be erected and the buildings constructed upon such lands by the Nepean Board and any furniture and equipment purchased by the Nepean Board in connection with such Bell High School and others shall be and remain vested in and be the property of the Nepean Board.

2. The Nepean Board agrees to erect Bell High School and others in accordance with plans and specifications to be approved by the Minister, a copy of which will be filed with the Ottawa Board, and to supply and install such furniture, equipment and services as are necessary for proper operation and uniform in quality, quantity, and kind with those in Ottawa secondary schools, and to fence, landscape and prepare the school sites suitably. It is agreed that the Bell High School will be ready to open on the first day of September, 1962.

3. Upon completion of any high school as aforesaid, the Ottawa Board shall staff, operate and maintain it, and except as otherwise provided in this agreement, shall do so in accordance with the standard policies of the Ottawa Board in respect of its secondary schools in the City of Ottawa as if the Bell High School and others were under the jurisdiction of the Ottawa Board.

4. The Ottawa Board shall pay the current operation expenses of the Bell High School and others situate in the Township of Nepean, including the provision of staff and necessary supplies, the payment for heating and hydro, water and telephone services, and the carrying of insurance against damage including fire loss and public liability in the same manner and to the same extent as the Ottawa Board maintains in the City of Ottawa. The Nepean Board shall be so named in the policy or policies of insurance that it is adequately indemnified against any loss.

5. It is agreed that the Ottawa Board shall not pay any expenses in connection with the transportation of any pupils to the Bell High School or others or any taxes, assessments, local improvement rates, sewage charges or other rates or charges of any kind whatsoever which may be imposed directly or indirectly by the municipality in which the high school is situate.

6. The maintenance of any high school being the property of the Nepean Board, by the Ottawa Board, shall be so as to keep it in repair and in good condition as required through normal wear and tear, including all buildings, the site, furniture and equipment, and shall include the replacement of furniture and equipment as required through normal wear and tear provided that no structural changes shall be made by the Ottawa Board without the consent of the Nepean Board.

7. The Nepean Board shall maintain such high schools financially by paying to the Ottawa Board the cost of education of such pupils under the Nepean Board's jurisdiction as attend such schools. Such cost is to be paid in estimated monthly instalments during each current year and shall be calculated pursuant to subsection (2) of Section 70 of *The Secondary Schools and Boards of Education Act*, R.S.O. 1960 (as if this were an agreement under subsection (2) of Section 30 of this Act) except that in computing the total gross expenditures for the calendar year, capital expenditures for Ottawa Schools, out of current funds together with payment for principal and interest owned on debentures in respect to Ottawa Schools owned by the Ottawa Board, shall not be included.

8. The Ottawa Board and the Nepean Board shall discuss jointly on or before the fifteenth day of March, in each year, the allocation of pupils to the Nepean High Schools and the Nepean Board shall in accordance with such allocation set the boundaries for such high schools and report the same to the Ottawa Board on or before the 15th day of April in each year. Such boundaries shall be thereupon fixed and not changed without the consent in writing of both Boards. Subsection 2 and Subsection 3 (a) of Section 68 of *The Secondary Schools and Boards of Education Act*, R.S.O. 1960 shall not apply to the allocation of students to the Nepean High Schools.

9. The Nepean Board and the Ottawa Board shall meet in joint session on the first Tuesday in March, May and October in each year to discuss matters arising out of this Agreement.

10. The Nepean Board agrees that upon either Board giving notice of termination of this agreement as hereinafter provided, it shall undertake to engage on the then existing employment terms any members of the teaching and maintenance staff employed by the Ottawa Board at the Nepean High Schools at the date of the giving of the notice who wish to continue at such school after the expiration of this agreement.

11. Both Boards agree that in the finishing and equipping of the Nepean High Schools and in the planning, acquisition and equipping of any additional accommodation in connection therewith the equipment and facilities provided shall be such as to permit uniformity of operation and maintenance with those of Ottawa secondary schools.

12. All applications for rentals of the Nepean High Schools shall be first submitted to the Nepean Board for approval. If approved, applications shall then be presented to the Ottawa Board and the general policies, regulations and rates of the Ottawa Board as to granting of applications and as to administration of rentals in secondary schools shall apply. The Ottawa Board shall administer the rentals in all respects and shall retain any rental money received.

13. Unless terminated by mutual consent, this agreement shall remain in force until the thirtieth day of June, 1967, and will expire on such date if either Board has given notice of intention to terminate in writing to the other Board on or before the thirtieth day of June, 1966. If no such notice of intention to terminate has been given, this agreement shall continue in full force and effect from year to year thereafter, provided that one Board may on or before the thirtieth day of June in any year subsequent to 1967, give written notice to the other Board of its intention to terminate on the thirtieth day of June in the year following, whereupon this agreement shall expire upon the thirtieth day of June in such year following receipt of such notice.

14. This agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors.

15. The both Boards shall co-operate in taking the necessary steps to obtain a private Bill of the Legislative Assembly of the Province of Ontario validating this agreement and allowing amendments with the approval of The Minister of Education with all costs to be borne by the Nepean Board.

IN WITNESS WHEREOF the parties have hereunto set their corporate seal attested to by their proper officers in that behalf.

hereinafter called the "Suburban Board",

OF THE FIRST PART,

—and—

THE SUDBURY HIGH SCHOOL BOARD,
hereinafter called the "Sudbury Board",

OF THE SECOND PART.

WHEREAS BY INDENTURE dated the 22nd day of November, 1961, the parties hereto agreed that a maximum of 760 Secondary School students be accommodated in a Secondary School financed and constructed by the Suburban Board;

AND WHEREAS the Suburban Board agreed to add to the Secondary School an addition to accommodate 250 academic secondary school students which addition will be ready for occupancy by September 1st, 1965, to be financed and constructed by the Suburban Board;

AND WHEREAS the Suburban Board has requested the Sudbury Board to operate the Garson-Falconbridge Vocational School for a term of 20 years commencing September 1st, 1963 in the same manner in which it operates its secondary schools in the City of Sudbury;

AND WHEREAS the Sudbury Board has agreed to do so upon the terms and conditions hereinafter contained;

WITNESSETH THAT in consideration of the premises and the terms and conditions hereinafter contained the parties hereto mutually agree as follows:

1. The lands upon which the Garson-Falconbridge Vocational School is to be erected and the buildings constructed upon such lands by the Suburban Board and any furniture and equipment purchased by the Suburban Board in connection with such Garson-Falconbridge Vocational School shall be and remain vested in and be the property of the Suburban Board.

2. The Suburban Board agrees to erect the Garson-Falconbridge Vocational School in accordance with the plans and specifications which it has prepared and has had approved by the Minister of Education and of which a copy has been filed with the Sudbury Board, and to supply and install such furniture, equipment and services as are necessary for proper operation and uniform in quality, quantity and kind with those in Sudbury secondary schools, and to finance, landscape and prepare the school site suitably, so that such school will be ready to open on the first school day in September, 1963.

3. Upon completion of the Garson-Falconbridge Vocational School as aforesaid, the Sudbury Board shall staff, operate and maintain it and, except as otherwise provided in this agreement, shall do so in accordance with the standard policies of the Sudbury Board.

4. The Sudbury Board shall pay the current operation expenses of the Garson-Falconbridge Vocational School, including the provision of staff and necessary supplies, the payment for heating and hydro, water and telephone services, and the carrying of insurance against damage, loss and public liability. The Suburban Board shall be so named in the policy or policies of insurance that it is adequately indemnified against any loss.

It is agreed that the Suburban Board will pay all costs of transportation for its own students.

5. The maintenance of the Garson-Falconbridge Vocational School by the Sudbury Board shall be so as to keep it in repair and in good condition as required through normal wear and tear, including all buildings, the site, furniture and equipment, and shall include the replacement of furniture and equipment, as required through normal wear and tear; provided that no structural changes shall be made by the Sudbury Board without the consent of the Suburban Board.

6. The Suburban Board shall pay to the Sudbury Board the cost of tuition fees for Suburban Board pupils attending the Garson-Falconbridge Vocational School and any other secondary school operated by the Sudbury Board and the costs shall be calculated pursuant to Subsection 2 of Section 70 of *The Secondary Schools and Boards of Education Act*, R.S.O. 1960, Chapter 362, and in addition thereto be subject to clauses a and b following.

(a) In computing the payments made on Sudbury Board debentures the debenture charges of the Suburban School shall be included in the costs of the Sudbury Board.

(b) The Sudbury Board in calculating the costs of the Suburban Board will deduct the amount paid by the Suburban Board for debentures on the Garson-Falconbridge Vocational School from the calculated tuition; and in addition an adjustment will be made in favour of the Suburban Board by the Sudbury Board for any loss of grants normally received on debentures that the Suburban Board may incur as a result of accommodating students from other high school districts attending the Garson-Falconbridge Vocational School.

7. This basis of calculation shall apply to tuition fees to be paid for outside students other than Sudbury Board students and Suburban Board students attending the Garson-Falconbridge Vocational School or any other secondary school operated by the Sudbury Board regardless if the pupil or pupils are from any other school Board jurisdiction or territorial district.

8. 9. The Suburban Board and the Sudbury Board shall meet in joint session on the first Wednesday of May and October in each year to discuss the education of Neelon-Garson and Falconbridge students and the operation of the Garson-Falconbridge Vocational School.

10. The Suburban Board agrees that upon either Board giving notice of termination of this agreement as hereinafter provided, it shall undertake to engage on the then existing employment terms any members of the teaching and maintenance staff employed by the Sudbury Board at the Garson-Falconbridge Vocational School at the date of the giving of the notice who wish to continue at such school after the expiration of this agreement.

11. Both Boards agree that in the finishing and equipping of the Garson-Falconbridge Vocational School and in the planning, acquisition and equipping of any additional accommodation in connection therewith, the equipment and facilities shall be such as to permit uniformity of operation and maintenance with those of Sudbury secondary schools.

12. All applications for rentals of the Garson-Falconbridge Vocational School shall be first submitted to the Suburban Board for approval. If approved, application shall then be presented to the Sudbury Board and the general policies, regulations and rates of the Sudbury Board as to the granting of applications and as to administration of rentals in secondary schools shall apply. The Sudbury Board shall administer the rentals in all respects and shall retain any rental money received.

13. This agreement or amendments thereto shall remain in force until the 31st day of August, 1983 and will expire on such date if either Board has give notice of intention to terminate in writing to the other Board on or before the 31st day of August, 1982. If no such notice of intention to terminate has been given, this agreement shall continue in full force and effect from year to year thereafter, provided that one Board may on or before the 31st day of August in any year subsequent to 1982 give written notice to the other Board of its intention to terminate on the 31st day of August in the year following, whereupon this agreement shall expire upon the 31st day of August in such year following receipt of such notice.

14. The students of the Suburban Board shall have the same rights and privileges as the students of the Sudbury Board who wish to attend special courses not available to the Suburban Board students.

15. This agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors.

16. The both Boards shall co-operate in taking the necessary steps to obtain a private Bill of the Legislative Assembly of the Province of Ontario validating this agreement and allowing amendments with the approval of the Minister of Education, with all costs to be borne by the Suburban Board.

An Act respecting Christ Church, Amherstburg

WHEREAS the Churchwardens and Rector, being the Preamble
corporation to represent the interest of the Church, by their petition have represented that Loftus Cuddy, late of the City of Cleveland, in the State of Ohio, one of the United States of America, died in the year 1916, leaving a will, dated March 13, 1913; that probate of such will was duly granted in the year 1916 to The Citizens Savings and Trust Company of Cleveland, Ohio, named in the will; that by item 10 of such will the sum of \$5,000 was bequeathed to Christ Church (Episcopal), Amherstburg, Ontario, Canada, to be paid within two years after the decease of the testator; that such money was paid to the Church on or about September 7, 1918, and that the use thereof was restricted as follows:

"I give and bequeath to Christ's Church (Episcopal), Amherstburg, Ontario, Canada, five thousand dollars (\$5,000.00) same to be paid by my executor within two years after my decease. Said sum of five thousand dollars shall be held by said Church as a permanent endowment fund to be known as the 'Loftus Cuddy Endowment Fund' and shall be managed and invested by the Board of Trustees of said Church or such other officers as have charge of the investing of endowment funds of said Church and the income derived from said fund shall be used for the benefit of the poor of the parish connected with said Church.";

that at the time of the death of the testator there existed no provincial or dominion legislation for the relief of the poor, such as old age pensions, unemployment insurance, mothers' and widows' allowances, workmen's compensation, veterans' allowances and pensions and general welfare relief by dominion, provincial and municipal governments; that within the last eleven years there has been expended from the income derived from such fund the sum of \$199.60; that there is in such fund at the present time the sum of \$9,404.21 in two first mortgages amounting to \$6,290, a bank account

amounting to \$614.21 and dominion government bonds amounting to \$2,500; that the restrictions incidental to such trust make it impracticable to use wisely the income of such trust in its entirety; and that there is on hand a substantial sum for which there is no immediate or prospective requirement for the benefit of those designated as beneficiaries by such trust, and it is advisable that such income should be expended in the discretion of the petitioners to advance the interests, or relieve the distress, of the parish connected with the Church; and whereas the petitioners have prayed for special legislation to widen the terms of such trust to permit the use of the income therefrom for the benefit of the parish connected with the Church; and whereas it is expedient to grant the prayer of the petition;

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. The Corporation of Christ Church, Amherstburg is hereby authorized, empowered and permitted to use the existing accumulated income in excess of the principal of \$5,000, together with all future income derived from such principal amount of such trust fund, for the charitable or worthy purposes of or within the parish connected with such Church.
